When nothing seems to help, I go and look at a stonecutter hammering away at his rock perhaps a hundred times without as much as a crack showing in it. Yet at the hundred and first blow it will split in two, and I know it was not that blow that did it, but all that had gone before.

-Jacob August Riis

THE GRAND MASTERS MESSAGE

Brethren, with humility, but also with great pride, I regard the honour you have bestowed upon me in your selection of me as Grand Master of your Grand Lodge.

Freemasonry, Brethren, has endured, not because of antiquity, it's influence or it's social standing but because there have been so many who lived it. The prestige of

Freemasonry rests squarely on the shoulders of each of us. We must therefore ensure that we practice the basic principles of Brotherly Love, Relief and Truth at all times and in all places. Freemasonry seeks to improve the community, thus it impresses upon its members the principles of personal righteousness and personal responsibilities, enlightens them as to those things which make for human welfare and inspires them with that feeling of charity or goodwill towards all mankind. We are then moved to translate principle and conviction into action.

To become a Mason, one must stand ready with all sincerity to give whole hearted assent to it's teachings and principles, obedience to it's laws and regulations and observance to it's ancient landmarks.

In the coming months it is my hope that many of the programs initiated by my predecessors will be enhanced and improved upon, I would encourage the continuance of the support of our highly visible Camp Goodtime project. I am confident that the Masons of New Brunswick will continue their generous support of this project in the future as they have in the past.

Brethren, we, must redouble our efforts to support our fraternity in all its endeavors, so that it may continue long into the future. **Brethren you are the fraternity.**

I wish all the Lodges in the Grand jurisdiction a healthy, prosperous and rewarding year. I look forward to seeing you in lodge brethren.

May the Great Architect assist us in our endeavors.

Fraternally;
Wayne H. McKay
Grand Master

Editorial

The 138th annual communication of the Grand Lodge of New Brunswick was held on May 13th and 14th, 2005 at the Masonic Temple in Saint John, N.B. The highlight of this event, which had 298 registered voters, was the bi-annual election of the Grand Master and Deputy Grand Master. Congratulations are extended to all candidates who offered for elective office. Your interest in the affairs of this Grand Lodge is deeply appreciated by every member in the jurisdiction.

As we say goodbye to the previous administration it is now incumbent upon us to demonstrate our support for the new Grand Master and his officers. Regular attendance upon the Grand Master, Deputy Grand Master and District Deputy Grand Masters during their official visits will be proof of our zeal and respect for Grand Lodge and its officers.

Such zeal has already been in evidence, for by the time this issue went to press the new Grand Master had made his first official visit, which in this case was to his mother lodge, Alexandria Lodge No. 33 in Fredericton. A large turnout of officers and members of Grand Lodge (totaling forty-three) were on hand to attend on the Grand Master. It is hoped that this trend will continue in the months to come as the Grand Master embarks on a course of intensive visitations throughout the province. (The Grand Masters schedule can be found on page 8)

We look forward to an administration that will be amenable to new ideas and receptive to the open discussion of problems faced by our jurisdiction. The ability to be progressive in thinking and open to new ideas are the hallmarks of superior leadership.

To the new Grand Master and his officers we extend best wishes for a successful and rewarding year. May the road ahead always be smooth and may your tires never go flat.

Fraternally;
Stuart MacDonald, PM

A FAMILY TRADITION

L-R: Shawn Carey, W:B: John Carey and Bro. Ed Carey

On March 14, 2005 a family event occurred in Lodge St. John's No. 27, Bathurst when W:B: John Carey raised his grandson to the sublime degree. Watching with pride as the ceremony unfolded was the candidates father, Bro. Edward Carey. In what is becoming a family tradition all three Carey's are first-born males and now members of the same lodge. Bro. Ed Carey presented his son with a Lewis jewel having three bars, representing grandfather, father and son. W:B: Carey presented his grandson with a Masonic ring containing three diamonds which came from his great grandmother's Eastern Star ring.

MASONIC TRIVIA

About AD 298 Emperor Diocletian ordered five highly skilled sculptors to fashion a statue of a heathen god. When they refused, the five were buried alive in leaden coffins and cast into the River Tiber. Other masons completed the statue and at its dedication four Christian soldiers refused to offer incense. They were scourged to death and their bodies thrown to the dogs. In 1313 Pope Melchiades built a Basilica and dedicated it to the 'Four Crowned Ones and the Five Sculptor Martyrs.' Since then the nine have become four and are today honored as the "Four Crowned Martyrs." These martyrs were honored in the *Regius Poem* as well as by the Quatuor Coronati Lodge No.2076, London, England.
