First Conference of Grand Lodges A.F. & A.M. of British North America

Held at Toronto, Ontario, February 28th, 1949

By invitation—on February 24th, 1947—thirty-one representatives of the Masonic Grand Lodges of British North America met at the Seignior Club, Montobello, Quebec, to consider the formation of an All Canada Conference of Grand Lodges. The original idea being the child of M:W: Charles S. Hamilton, the then Grand Master of the Grand Lodge of Canada in the Province of Ontario, and to him must go the accolade. His efforts were crowned with success—for on February 28th, 1949, representatives from all of the Grand Lodges in Canada and from the English and Scottish Constitutions of Newfoundland met in Toronto to make an actual fact of the original idea and the first All-Canada Conference of Masonic Grand Lodges of British North America became—it is hoped—one of the most momentous acts of the Grand Lodges concerned therewith.

The guiding heads of this Conference have been well and wisely chosen; the Executive Committee have outstanding ability and the subjects which will be offered for consideration at the bi-ennial meetings cannot but be of large import to all the member bodies. Those that have already been offered contain much for the advancement of our Institution and the ability with which they have been presented not only attest to the soundness of the original undertaking but also to the broadness of the minds of those who took so much of their own valuable time to prepare them.

This Grand Lodge feels that the effort has been well worth while and any expense incurred is of small moment when compared with the larger outlook and benefit to the Craft—wheresoever dispersed.

Apart from the subjects that may, from time to time, be presented to the attending delegates is the association of those attending. Surely it will cement that brotherly love and affection which will unite us into one common band or society of friends or brothers and make of this Institution across the hills, valleys and plains of our Canada a body of men prepared the better through this unity to combat those unseen powers that would destroy our way of life and make of it chaos. Our unity must be for the betterment of mankind and the uplift of the souls of our fellows. Therefore we reiterate the statement—the All Canada Conference is the biggest thing Canadian Masonry has ever attempted and successfully launched. May it never be allowed to lag or be superceded by any other thing which will detract from its unity of purpose.

PROCEEDINGS
OF THE
82nd Annual Communication
OF THE
GRAND LODGE OF NEW BRUNSWICK

Saint John, N. B.,
August 25th, 1949.

THE EIGHTY-SECOND ANNUAL COMMUNICATION of "The Grand Lodge of the Antient and Honourable Fraternity of Free and Accepted Masons of New Brunswick" was held at the Masonic Temple, Germain Street, in the City of Saint John, on Thursday, the twenty-fifth day of August, A.D. 1949, A.L. 5949.

Most Worshipful Donald Campbell Malcolm assumed the Throne and Grand Lodge was opened in Ample Form at 10.00 o'clock a.m., followed by solemn prayer by the V:W: Grand Chaplain, Rev. J. A. Berridge, as follows:—

"Eternal source of Life and Light! We humbly implore Thy divine favor upon this occasion, and upon the Institution in whose services we are engaged. Make it yet more helpful and beneficial to our race, and inspire all who are connected with it with an ardent love to Thee, to each other, and to every member of the human family. Enable us so to legislate that we may keep in view the best interests of the great brotherhood.

"In Thee, O God, do we put our trust. Be Thou our friend, conductor and guide in the unseen vicissi-

tudes of life before us, and bring us all at last to see the Great Light, inaccessible and full of glory, in Thy presence, where we shall behold Thee with unclouded vision for evermore. Amen."

The Proclamation calling the Eighty-second Annual Communication of Grand Lodge was read by the V:W: Grand Secretary.

The Most Worshipful Grand Master welcomed the brethren to Grand Lodge as follows:—

It is a very pleasant duty to again welcome the members of Grand Lodge and our Distinguished Guests both as your Representative Head, and personally.

This is your Assembly, and I trust that you will not only learn what has transpired during the past year, but may also carry away from our considerations, thoughts that you may turn into actions—for the benefit of your Lodge or Lodges, which in turn may rebound to the credit and greater honour of our Beloved Order.

To our Distinguished Visitors, the same welcome applies—we welcome you in every sense that our great Fraternity stands for. We hope that you may leave with us something for the good of the Craft—also that you may receive some inspiration, whilst sojourning in our midst. We fully realize that you have made sacrifices and put yourselves out in order to be present with us. We sincerely appreciate the efforts you have made to attend upon our Eighty-second Annual Communication. Your aid and presence will greatly add to our assembly.

All present are conversant with history now in the making—and probably realize how close disaster may be upon our civilization.

One can, perhaps, understand the thoughts, or

rather the ignorance of certain peoples towards our standard of liberty, but to me it is incomprehensible how persons living in our free countries—enjoying all the blessings of freedom—can even think of, let alone work for the destruction of our way of living and would wish to plunge us into chaos, such as appears to be enjoyed, or rather endured, in the before-mentioned countries.

It is the personal duty of every Mason to ferret out and expose all such people in our country, so that our land may be cleansed of such pestilential beings.

Our Order can only flourish in a peaceful atmosphere—although it has withstood the ravages of time and warfare. Let us seek Peace, but not at the loss of Honour.

If this welcome is too much like a sermon, I still give it to you as it is. And repeat, I welcome all of you, and thank you for your attendance.

It was moved by V:W: L. M. Wilson, seconded by R:W: R. D. Baird, "That the Minutes of the last annual Communication, held August 26, 1948, having been printed and distributed in the Annual Proceedings of the Grand Lodge, be now taken as read and that they be confirmed." Carried.

It was moved by R:W: James S. Hoyt, seconded by R:W: R. L. Algie, that nominations cease as of 3.00 o'clock and that the names of the nominees be printed for the convenience of the brethren. Carried.

It was moved by R:W: James S. Hoyt, seconded by W: T. A. Robinson, that the agenda of Grand Lodge may be changed at the will and pleasure of the M:W: the Grand Master.

M:W: Granville C. Grey, Grand Master of the State of Maine, asked the pleasure of Grand Lodge and presented to M:W: Bro. Malcolm the Josiah Drummond medal for distinguished service. M:W: Bro. Malcolm accepted the honor conferred in the presentation of this medal and expressed the deep gratitude of himself and the Grand Lodge of New Brunswick in thus being honoured, and thanked M:W: Bro. Grey for his attendance and the presentation. He then conferred upon M:W: Bro. Grey the rank of honorary Past Grand Master of the Grand Lodge

of New Brunswick and presented him with a certificate of membership.

The Grand Secretary, a Past Master of Albion Lodge No. 1, of which M:W: Bro. Malcolm is also a Past Master, presented to him a Past Grand Master's jewel on behalf of the members of their Mother Lodge, which the Grand Master received—as he stated—with humility and asked the Grand Secretary to extend to their Mother Lodge his heartfelt thanks and appreciation for this bestowal.

Most Worshipful the Grand Master now turned Grand Lodge over to V:W: the Grand Chaplain, Rev. Joseph A. Berridge, who conducted the following Service of Thanksgiving:—

Grand Lodge took recess until 2.30 p.m.

When Grand Lodge resumed labour—with R:W: Robert L. Algie, Deputy Grand Master, in the Grand East—the Most Worshipful Grand Master not being at the moment in attendance, delivered the following Address for him:—

GRAND MASTER'S ADDRESS

*To the M: W: Grand Lodge of
F. & A. M. of New Brunswick*

MY BRETHREN:—

With fraternal greetings I extend to each of you a most sincere and cordial welcome to this, the 82nd Annual Communication of our Grand Lodge, and trust that your visit with us will be both pleasant and profitable. To many of us who attend this meeting year after year it is a great source of pleasure to meet and greet old friends and make new acquaintances. To those of you who come here for the first time as representatives of your Mother Lodge, I would say to you to make yourselves acquainted with your neighbours and form those friendships which will be of lasting benefit to you through their associations.

For so great a privilege we should render our grateful thanks to Almighty God to whom we should ever look for direction.

We are assembled as a deliberate body to pass judgment upon the acts and deeds of the present administration and to counsel together for the welfare and prosperity of Masonry in this Grand Jurisdiction. Individual effort may achieve much but if we are to avail ourselves of the accumulated wisdom of all those

here assembled, this can best be accomplished through co-operation and working harmoniously. Therefore, it is my hope that you will discharge the duties and responsibility assigned as representatives by freely entering into our discussions and deliberations.

One year ago you elected me for the second time as your Grand Master and I had hope of accomplishing much but an indisposition has made it impossible for me to do all that I have set myself to do. This I regret exceedingly.

Special invitations were not extended this year to many whom we should like to have had with us, and to those who have come we extend a special welcome with the hope that this communication will prove pleasant to you.

I was very pleased to have our Sacred Service at this morning's session of Grand Lodge arranged and conducted in so capable a manner by our Very Worshipful Grand Chaplain, Rev. J. A. Berridge. It is well to render praise and thanksgiving to the Supreme Architect of the Universe and to dedicate anew our lives in His service.

During the year we have been called upon to mourn the loss of many distinguished brethren. Our heartfelt sympathy goes out to the bereaved friends and relatives of those whose passing we mourn, not only in our own Jurisdiction but in our Sister Jurisdictions as well. In the Grand Jurisdiction of New Brunswick the names of the following deceased brethren have been reported:—

Samuel Walter McMackin—Hibernia No. 3—Nov. 20, 1948.

Robert Watson Grimmer—Sussex No. 7—Nov. 4, 1948.

Guy Elmer Cheney—Carleton Union No. 8—Feb. 1, 1948.

Charles Burton Lockhart—Carleton Union No. 8—Sept. 4, 1948.

Edward Chase—Alley No. 14—Feb. 27, 1948.

William Michaud—Saint Andrews No. 16—Jan. 13, 1948.

Alexander Henry Mackay—Northumberland No. 17—Feb. 9, 1948.

Frederick William Barton—New Brunswick No. 22—Feb. 24, 1948.

Tuttell Trenholm Goodwin—Keith No. 23—April 12, 1948.

Frederick Arbo Taylor—Keith No. 23—Feb. 29, 1948.

Fred P. Forbes—Keith No. 23—Dec. 23, 1948.

John Alexander Fullerton—Albert No. 34—June 3, 1948.

Harrison Elmer Wiley—Colebrooke No. 38—March 22, 1948.

During the year we have made the following official visits: Sunbury No. 42, Alexander No. 33, Westmorland No. 44, Miramichi No. 18, Restigouche No. 25, Campbellton No. 32, Saint John No. 27, Northumberland No. 17, Keith No. 23, Ashlar No. 36, Saint John's No. 2, Acacia No. 49.

It was my pleasure to install the officers of Keith Lodge No. 23, on Dec. 27th, of Ashlar No. 36, Saint John's No. 2, and Tweedie and Acacia jointly.

At this point it was necessary for me to ask the assistance of R:W: Past Grand Master Hoyt who installed the officers of Hibernia No. 3, Corinthian No. 13, New Brunswick No. 22, and Union Lodge of Port-

land No. 10. This valued brother also dedicated Cherry Mountain No. 50 at Harvey Station, N. B., and consecrated the new hall for Grand Lake Lodge No. 47, Minto. To R:W: the Deputy Grand Master Robert L. Algie, I assigned visits to Zetland Lodge No. 24, Salisbury Lodge No. 20, Howard Lodge No. 15, Saint Andrew's No. 16, Albert Lodge No. 34.

In the visits I was able to make, we were received with graciousness and unfailing courtesy and a sincere interest in the ritual was manifest at all times. The efforts of the W: Masters, Past Masters and Officers and also to the excellent work of the D:D:G: Masters, shows that Masonry is deep-seated in their hearts and augurs well for the future.

Being unable to attend the Grand Masters' Association Assembly in Washington in February, I appointed R:W: Albert C. Lemmon as my special deputy to attend these meetings and also to the All-Canada Conference which was held in Toronto following the Washington meetings. This Officer, with the Deputy Grand Master and the Grand Secretary, formed the official representatives of this Grand Lodge at the Regional Conference of the Eastern provinces held in Charlottetown in May. Their reports show great progress being made in advancing the principles for which we stand and a strengthening of the ties which unite all of the several Grand Lodges attending these meetings. It was our pleasure to attend divine service with the Union Lodge of Portland to the Church of Saint John and Saint Stephen on October 31st last, and Grand Lodge together with the several Lodges of Saint John attended divine service June 26th at Saint David's United Church where the Very Worshipful Grand Chaplain brought us inspiration.

For all of these services rendered me I tender my heart-felt thanks and for the many expressions of good-will sent me from all sections of our jurisdiction, it has been inspiring and strengthening during a period of inactivity forced upon me.

To borrow from our friend and brother, Frank S. Land, Founder and Secretary General of the Order of De Molay in an address delivered to the Grand Lodge of Indiana, I would not try to give any interpretation of degrees or to discuss philosophies but rather to attest to the evangelism and power of Freemasonry as a great factor in daily living. To me, if Freemasonry is to achieve its goal, it must become a day-to-day practice of eternal Truths. Perhaps the most difficult hurdle for most of us in daily living, is to be good.

Freemasonry, through its morals and dogmas, lights the way for happier living. There is hardly a moment in your life or mine when we must make rapid decisions, when we must decide to do right or to do wrong. It takes a lot of courage to live today and it takes real courage to think rightly. I have in mind a professor in one of our large eastern universities. He is very popular on the campus and students flock to his lectures. He was telling not long ago about one of these sessions when, at the conclusion of his lecture, a large crowd of young men gathered around him, asking questions and voicing their approval of his remarks. Dismissing the group, he concluded: "Young men, don't forget to play the game of life." Finally, one chap, just a little more alert than the others, said, "Prexy, how are we going to play the game of life when we don't know where the goal posts are?" That has been the cry of nations and people ever since the dawn of time. Freemasonry has been telling you and me that there is a code, if lived prop-

erly, which leads to happiness, contentment and great spiritual security. I am mindful, as you must be, that Freemasonry of today is the evolution of the teachings and ideals of many men who lived and died through the ages past. Yet the source of these eternal verities is in Almighty God from out of whose hands the centuries fall like grains of sand. Marvelous has been the prodigality of His love in the world of nature and in the realm of grace. The majesty of the mountains, the witchery of the forests, the grandeur of the sea, the coloring of the canyons, the fertility of the valleys, the beauty of the rose, all bespeak of His thoughtful care for our creature comfort. The home and school and church testify to the provisions of His grace in nurturing our mental, moral and spiritual welfare. These are not little things with God. With one hand He may be throwing rings about the planet Saturn, with the other hand giving form and perfume and beauty to the rose. We can thank God for the pathfinders and trail blazers and prophets of the yesteryear who pushed their way on foot, on horseback, in covered wagons and in the canoes, across the continent, fording streams, penetrating forests, scaling mountain fastness, over burning sands and through dangers manifold to open up this great country for colonization; for the missionaries who brought the Divine Word to a backward and belated race; for the educators who instituted schools and universities for the enrichment of the lives of the people, and for the men, countless and without number, who placed a Masonic Altar at every crossroad, that men might be free.

Somewhere these Grand Worthies are looking down upon us out of the web of antiquity, because the world has not always recognized its truly great men. It has been strangely blind. By a cruel irony

of fate the world has often maligned, mistreated, insulted and oftentimes killed those truly great men whom a succeeding generation has sainted and adored. Many times they cannonaded while living and canonized them when they were dead, but the hooting mob of yesterday has often returned to gather up the scattered ashes into history's golden urn. Today, out of the mists of centuries, Freemasonry rises in the full stature of its majestic greatness, the sleepless sentinel of our great institutions. The future belongs not to rigid absolutes, whether they are primeval rocks or unyielding social arrangements, but to the thing that can grow, whether it is a tree, Christianity, democracy or Freemasonry.

It is strange that a principle as familiar as this should today need underscoring, but we are living in years of uncertainty and fear, and fear induces a kind of spiritual astigmatism. To be sure, in our generation we have reason for our fears and every justification to resist the threat that creates them. We have assumed that peace is the normal state of civilized society but it has been rudely interrupted by ambitious war lords twice in a generation. We are finding the world proceeding from one crisis to another. Men now are beginning to believe that there is no reason why we should not expect these recurring emergencies. The world is in for a state of tension for at least another generation. This is not an easy doctrine to accept. One reason for our difficulty in accepting it is a misreading of history. We look longingly back on the 18th century and the comparative peace of the Victorian age and think of that as normal. It was not normal. The Victorian peace was due to a fortunate combination of circumstances that will not recur. Sea power became dominant at a time when

the British Empire, with world outposts, was able to use its fleet as a global policeman.

An accomplished American diplomat, Hugh Wilson, wrote in his memoirs between the world wars: "To us the Victorian era of stability was normal. We needed a lifetime to realize, and some of us have not yet realized, that the Victorian era was an historical phenomenon, so unusual that it will be cited with the age of Augustus as one of the two great periods of peace and security in the history of Western civilization." It should be easier for us to deal with the period of tension in which we are now living—and that seems to stretch indefinitely ahead—if we realize that except for the two interruptions mentioned by Mr. Wilson, this has been the normal experience of mankind.

A few moments ago I stated that the future belongs to the thing that can grow; a tree can demolish a rock. There is no future for a system of anti-God communism or any other ism, any more than there is a future for a rock stranded by a glacier. Ultimately, the irresistible power of a thing that can grow will shatter it. That is why Christianity, Freemasonry and democracy, rightly interpreted, are the last best hope of earth. Thus we know the Craft is rooted in the principle of growth. It is built not on a fixed creed or on a system of regimented ideas, but on the sure knowledge that frontiers are never stationary. It is free men who dare to think Freedom is an invitation to a life of courage and it is only through free thought, freely expressed, that the spirit of a people can be kept alive. You and I know something about adventure; in fact, we pass through it every day, for life is one adventure after another. The greatest adventurer of all time was Jesus, who declared He came to teach men the Fatherhood of God, the forgiveness

of sins and life everlasting. Two thousand years have passed since Jesus started this adventure and millions of people have caught at least a part of His vision and have tried to adventure with Him. If we live up to our profession of faith, we have a tremendous responsibility—poor sinners that we are—to carry on the work He entrusted to us, that we might build a living church, a living Freemasonry and a living democracy to the glory of Almighty God.

Today the treacherous unexplored areas of the world are not in continents or the seas; they are in the minds and hearts of men. It takes courage, and lots of it, to live today. Freemasonry uncovers the foundations of righteous living by seeking a restoration of religious faith—faith in God and in God's presence and power; Faith in man as the child of God; and in what, under God, we can do to build a new but better world. There are enough men in this room to evangelize the world for God and Masonry's concept of the Brotherhood of man. No man is so pernicious a drone as an idle Mason. Only a few seek to set the world on fire with our teachings, while the great mass of Brethren are lighting only a match. We count our Brethren in the millions—our leaders in the tens. The fires of Freemasonry must be kept burning and the white heat of faith generated, for the good of humanity. We are living in a day that is fraught with materialism. Men live and spend their whole lives husbanding stocks and securities; fighting for places of power and ambitious for honors. Others spend an entire lifetime earning a pittance that barely enables them and their families to live. The invisible things of God seem very, very far away. May I close with this one thought: "What doth it profit a man if he gain the whole world and lose his soul? What doth it profit a man if he gain the whole world

and lose his spiritual sense; loses the narrow path that leads to the footstool of God?"

For the gift of your highest office, twice bestowed, I humbly and sincerely thank you.

DONALD C. MALCOLM,
Grand Master.

It was moved by R:W: S. M. Wetmore and seconded by R:W: C. D. Dickison, "That the Address of the M:W: Grand Master be received and referred to a Special Committee of three for consideration and report thereon." Carried.

The R:W: Deputy Grand Master appointed as such committee the R:W: Brothers James S. Hoyt, C. F. Sanford and A. C. Lemmon.

R:W: Bro. S. M. Wetmore moved, seconded by R:W: LeBaron Wilson, that when Grand Lodge take recess it take recess until 8.00 p.m., when the first Order of Business will be the Election of Grand Lodge Officers. Carried.

The V:W: Grand Secretary presented the following report:—

GRAND SECRETARY'S REPORT

Masons of New Brunswick:*

During the year, Cherry Mountain Lodge of Harvey Station, York Co., N. B., received its charter; being dedicated by R:W: James S. Hoyt, P.G.M., who also consecrated the new building for Grand Lake Lodge, No. 47, at Minto, N. B. We now have an active Masonic family of 46 Lodges all of which appear to be in a flourishing condition from the reports they have furnished.

The M:W: Grand Master being unable to attend the Washington and Toronto conventions, he delegated R:W: Albert C. Lemmon as his representative and with this officer I attended the annual convention of Grand Masters and Grand Secretaries of North

America at Washington, D.C., in February last, and the All-Canada Conference in Toronto in March.

The All-Canada Conference appears to me to hold a more vital place in our Masonry than does the Washington conferences. The Washington conference certainly does enlarge the scope of our Masonic knowledge and fraternal relations but does not materially add to the knowledge which could be used particularly in this jurisdiction, while the All-Canada Conference brings the Canadian Masonic family much closer together and subjects peculiar to our Canadian Masonry are discussed and hold a much more vital interest to us and which can be of service to each Grand Lodge attending. I would not suggest that we discontinue membership in the two conferences held in Washington as the Grand Master might feel that it would be to his advantage to attend these conventions during his tenure of office as it would give him the broader outlook of the whole North American Continent and many from other portions of the Masonic World which we do not regularly get to meet and exchange views with. The policy he might dictate will be for the best government of the Craft.

The Maritime Regional Conference is one of very vital interest to the Grand Lodges attending and I feel that these do fill an important place in our relations with our sister Grand Lodges near by. It would be my suggestion that the Grand Lodge of New Brunswick appoint more than three delegates to attend the All-Canada and Maritime Regional Conferences from year to year than we have been sending in the past and, if possible, one delegate should pay a fraternal visit to the Western Conference to observe their procedures and bring to us the value of their years of experience in their Masonic work other than ritualistic. This also would be a matter of pol-

icy for the Grand Master to dictate and direct; I feel that it should be the Grand Master who would attend such a convention if it be at all possible, failing which he could appoint a delegate capable of bringing back to us the experience he would undoubtedly gain by this union.

I have to report that Miss Joan M. Buckley, who has been the secretary to the Grand Secretary for nearly four years, resigned her position to be married. It has been my pleasure to appoint in her stead Miss A. Joyce Wilkes whom I feel will be a capable successor to this young lady and I would ask Grand Lodge to ratify the appointment.

My thanks to the Secretaries of the subordinate Lodges for their co-operation during the year is tendered. There have been a number of new secretaries appointed since December, 1948, and they seem to have sufficient grasp of their duties to make it unnecessary for them to write this office for much assistance but that which has been sought has been on points of procedure not regularly met with, and it has been a pleasure to be of assistance to all who have asked for advice.

R. D. MAGEE,
Grand Secretary.

The R:W: the Deputy Grand Master presented the following report of the Board of General Purposes:—

BOARD OF GENERAL PURPOSES

Masons of New Brunswick:

To the Grand Lodge of Free and Accepted

The usual regular meetings of the Board of General Purposes were not held during the year owing to the indisposition of the M:W: the Grand Master.

The Grand Master appointed the following committee to administer the Fund of Benevolence: R:W: Brothers LeB. Wilson, S. M. Wetmore, J. S. Hoyt, H. D. Hopkins, C. F. Sanford, A. C. Lemmon, W. P. Barnhill and V:W: R. F. Wright.

The Committee received and approved several applications for assistance and disbursed \$4,550.00. No applications deemed worthy were refused.

The Committee would again point out the fact that it is still expected that Lodges will offer financial assistance before calling upon the fund.

The examination for the Master Mason Degree has been completed and they are in the hands of the Grand Secretary as well as the Key to the examination. One Key is to go to each Lodge and to be preserved by the secretary and is for study only and must not be copied for general use.

The printed rituals have all been disposed of and it is not felt that a further issue should be printed.

Members having these rituals and not requiring them further should turn them in to their Lodge for other distribution.

R. L. ALGIE,
Deputy Grand Master.

It was moved by V:W: R. D. Magee, and seconded by R:W: J. S. Hoyt, that the report of the Board of General Purposes be received and printed in full in the Annual Proceedings of Grand Lodge. Carried.

The R:W: Deputy Grand Master also presented the report of the Board of Directors of the Grand Lodge Corporation:—

THE BOARD OF DIRECTORS OF THE GRAND LODGE CORPORATION

TO THE MASONIC GRAND LODGE CORPORATION:

Your Directors herewith submit the Accounts of the V:W: Grand Treasurer and the Report of the Auditors thereon. These have been fully considered by your Directors and formally approved of.

R. L. ALGIE,
Deputy Grand Master.

It was moved by R:W: C. F. Sanford and seconded by W: T. A. Robinson, that the report of the Directors of the Grand Lodge Corporation be received and printed in full in the Annual Proceedings. Carried.

AUDITORS' REPORT

To the Grand Lodge of Free and Accepted
Masons of New Brunswick:

We, your committee appointed to audit the books and accounts of the V:W: Grand Secretary and the V:W: Grand Treasurer report as follows:—

We checked the entries in the Cash Book of the Grand Secretary and found cash listed as \$9,155.23 of which \$7,075.58 was deposited to credit of General Account and \$2,079.65, largely cheques, was on hand. This was checked by your committee. We also examined the Ledger and found the records clear in both books.

The books of the Grand Treasurer were also examined and are a picture of neatness and accuracy. Receipts and expenditures were checked and vouchers were examined. The bank balances were checked and bonds totalling \$99,000.00 held at the Bank of Nova Scotia, Prince William Street, were examined and found in order.

Insurance policies are held covering Grand Lodge Regalia \$2,500.00 and Oil Paintings \$4,800.00.

If regular meetings of the Board of General Purposes are not held, we would suggest that some arrangement be made for passing for payment bills against Grand Lodge.

R:W: Albert C. Lemmon, on behalf of the chairman of the Committee on Masonic Education, presented the following report:—

REPORT OF COMMITTEE ON MASONIC EDUCATION

*To the Grand Lodge of Free and Accepted
 Masons of New Brunswick:*

V:W: Bro. H. I. Knowles being absent from the city, has asked me to make report on the Education Committee's affairs for the year.

The duties of your committee on Masonic education may be summarized in these few words: To help more Masons learn more about Masonry. Our activities since the advent of our scheme of education has been largely concerned with fundamentals attempting to awaken the Craft as a whole and the newer Masons in particular to the need, the importance, and the beneficent possibilities of a well balanced educational programme operative throughout our province. While our efforts have yielded encouraging results in some portions of the jurisdiction, we fear that a large number of the Lodges have neglected any endeavor to advance this very important phase of Masonry. The goal we have set for fruitful attainment still lies far ahead.

During the past two years the chairman of this committee has gone to great pains in preparing and editing the Masonic Digest, which is forwarded the secretary of each Lodge for distribution with his notices and it is hoped that this little paper is being agreeably received.

Masonic plays have been produced by some of the Lodges with good effect and assist Lodge attendance thereby. The members who take part in these plays are to be commended for their interest and their endeavor to further the educational possibilities by this type of entertainment. We feel that more of this

could be attempted by other Lodges to good advantage.

Your Committee recommend that the Worshipful Master of Lodges be encouraged to appoint a Lodge Committee on Education, with carefully selected chairmen. Many bulletins on Masonic subjects are available for the interested Mason and any request will receive prompt attention. Lodge membership will profit immeasurably from such activity and Masonry will be advanced proportionally.

H. I. KNOWLES,
Chairman,
Educational Committee.

It was moved by W: Charles Grant and seconded by W: B. L. Skidmore, that the report of the Committee on Masonic Education be received and printed in the Annual Proceedings. Carried.

The M:W: the Grand Master being announced—entered and assumed the chair of Grand Lodge, the Craft being upstanding.

R:W: A. S. Robinson presented the report of the Grand Historian.

REPORT OF THE GRAND HISTORIAN

Saint John, N. B.,
August 25, 1949.

To the Most Worshipful Grand Master, Officers and Members of the Grand Lodge, F. & A. M. of N. B.

Most Worshipful Grand Master and Brethren:

I beg to submit the following report as your Grand Historian:—

I appreciate, Most Worshipful Grand Master, the privilege of serving you a second year in this office

and I thank you most sincerely for the opportunity to do so.

To each secretary from whom I had not heard up to that time I sent the following letter:

Office of the Grand Historian,
27 Bromley Ave., Moncton,
February 16, 1949.

Dear Brother Secretary:

"We are anxious to make some progress during the winter months toward bringing the histories of the individual Lodges up-to-date. Several have done just that, but there are a number from whom we have not heard. No one realizes more fully than I do how the days slip by and that you, brother, are a busy man. But the task is an important one and, without your assistance, it is difficult to make much progress.

"You are proud of your Lodge and justly so. We have its history written up to the year I earnestly ask you, if you do not have the time yourself, to request the Worshipful Master to appoint a committee to assist you. This plan has worked well in some of our Lodges and, by the way, it may be managed to provide an interest for some members who are not especially busy with other Masonic matters.

"Notes may be made from the regular records. Mention of any items of interest through the years will be welcome; the names of the Masters and other Officers; those who have held Grand Lodge offices; buildings dedicated; and so on—all will be gladly received.

"I am sure you can appreciate how anxious I am to be in a position to make a favourable report when

Grand Lodge assemblies. Please let me hear from you. Your Lodge is important. Its story is important. Our Grand Master will be grateful to you as well as myself for any help you can give us. I shall eagerly await your reply acknowledging the receipt of this letter.

"Thanking you in advance and with every good wish, I am, as ever,

Yours fraternally,

ARTHUR S. ROBINSON,
P. G. M., Grand Historian.

In response to this appeal there were those who did not deign the courtesy of a reply of any kind. But, on the other hand, there were those who made hopeful promise and others who sent in most valuable material.

Since I took office, the following have been heard from, most of whom have now brought their histories up-to-date:—

Albion No. 1, Hibernia No. 3, Sussex No. 4, Sussex No. 7, Carleton Union No. 8, Union Lodge of Portland No. 10, The Corinthian No. 13, Alley No. 14, Salisbury No. 20, Zion No. 21, New Brunswick No. 22, Keith No. 23, Saint John No. 27, Lebanon No. 28, Campbellton No. 32, Albert No. 34, Carleton No. 35, Colebrooke No. 39, Bethel No. 40, Tweedie No. 41, Sunbury No. 42, Westmorland No. 44, Fownes No. 45, Hartland No. 46, Tobique No. 48, Acacia No. 49, and Cherry Mountain No. 50.

Thus some twenty-seven Lodges have added to the material delivered to me by V:W: Herbert I. Knowles, my immediate predecessor in this office.

I wish to express my gratitude to the secretaries

and others belonging to these Lodges who have responded so courteously and ably. Certain of these brethren have displayed a keen historic sense and have gone out of their way to be helpful. My thanks are due also to the Grand Secretary, to Wor. Bro. Williamson of "The Corinthian," to Bro. Bedford of Keith Lodge, and to others as well as to several outside of this Jurisdiction.

We now have six of the large uniform binders in use which are rapidly being filled up. I have added my own observations about such matters as the Moncton Masonic Library and the educational efforts of its Board and comments on the Conferences, etc., which would not appear in the official reports.

Included also is a copy of our distinguished Brother Charles F. Sanford's address on "The Origin of Speculative or Symbolic Freemasonry," and the excellent dissertation delivered by the Grand Chaplain in Grand Lodge last August, and many other items which have a permanent interest.

During a recent visit to The Corinthian Lodge in Hampton I was shown relics of great historic value belonging to the long-defunct Midian Lodge at Clifton and rescued from final loss by a thoughtful young brother who saw them, as he said, "kicking around the old lodge room." There must be in our Jurisdiction many such things which would constitute attractive and informative exhibits. I am strongly of the opinion that the time has come to make some provision for the preservation and display of such objects as the Midian relics even if begun in a very small way such as procuring an inexpensive cabinet with glass front.

Directed by a motion duly passed in the last meet-

ing of the Board of General Purposes to bring forward a recommendation I beg to submit the following:—

Your Grand Historian recommends that provision be made by our Grand Lodge for the care and display of objects of Masonic historic interest which are rightfully the property of the Grand Lodge or may become so by gift or otherwise and that the Grand Master appoint a committee to deal with the matter.

The lapse of time, the ruthless hand of ignorance and the devastations of war have laid waste and destroyed many valuable monuments of antiquity and the spirit of apathy and neglect has allowed many priceless relics and objects associated with the lives and labors of our pioneers to crumble into dust or to be relegated to the scrap heap. Handwrought jewels of silver, aprons fashioned with loving care, pillars of solid mahogany, ancient documents and records breathing forth the atmosphere of colonial days—all should have an honored place among our treasures.

Brethren, I appeal for your greater and continued interest in the History Department of our beloved Fraternity in this grand old Province of New Brunswick.

Fraternally submitted,

ARTHUR S. ROBINSON,
P. G. M., Grand Historian.

It was moved by R:W: R. D. Stewart and seconded by V:W: L. M. Wilson, that the report of the Grand Historian be received and printed in the annual Proceedings. Carried.

It was moved by R:W: S. M. Wetmore, P.G.M., and seconded by R:W: LeB. Wilson, P.G.M., "That

"Your Committee recommend and hereby make motion that the per capita tax on members of the Order in this Province be increased from seventy-five cents (75¢) to two dollars (\$2.00) per annum and that four Scholarships for four years of seven hundred and fifty dollars (\$750.00) each be granted to such four applicants as may be approved by a Committee of Grand Lodge to be appointed for that purpose. That the Scholarships be used in the University of New Brunswick; that also a like sum of three thousand dollars (\$3,000.00) be granted to the New Brunswick Protestant Orphans' Home."

The above to apply to that portion of the Constitutions dealing with and under the heading "Of Fees," page 74, last paragraph.

It was moved by W: C. L. Taylor and seconded by W: S. I. Underhill, that the matter of scholarships

and grant to the New Brunswick Protestant Orphans' Home lay over to the next annual Communication of Grand Lodge to be holden August 24, 1950. The Lodges to give this matter their consideration during the recess. Carried.

Agreeable to Notice of Motion given in the Proclamation the Grand Secretary moved as follows:—

By direction of Grand Lodge at the last Annual Communication held August 26, 1948, and to conform to the resolution presented by the Board of General Purposes at the Annual Communication of Grand Lodge held August 28, 1947, Notice of Motion is hereby given to amend that portion of the Constitutions and General Regulations of Grand Lodge dealing with "Of Fees" as follows:—

"That the last paragraph on page 74 of the Constitutions read as follows: 'For every member, each Lodge shall pay towards the fund for Grand Lodge purposes, one dollar per annum.' (This to supersede the former payment of seventy-five cents per member per annum).

trict No. 5 to contain Lodges Nos. 5, 7, 12, 14, 26, 38, and District No. 6 to contain Lodges Nos. 6, 33, 36, 42, 47, 50.

It was moved by the Grand Secretary and seconded by the Grand Treasurer and carried: —

"That an appropriation of five hundred dollars (\$500.00) be made to the Grand Master to help to pay the expenses of visiting and instruction during the year."

"That a sum not to exceed twenty-five dollars (\$25.00) be allowed the District Deputy Grand Masters to defray travelling expenses on their District visits, if they find it necessary and that expense reports be submitted to the office of the Grand Secretary with their annual reports to the Grand Master."

"That the sum of fifty dollars (\$50.00) be set aside for use by the Grand Historian."

"That an appropriation of five hundred dollars be made to the Committee on Masonic Education."

The Special Committee on the Grand Master's Address made report as follows:—

*To the Most Worshipful Grand Lodge of
Free and Accepted Masons of New Brunswick:*

The Special Committee to whom was referred the Address of the Most Worshipful Grand Master, beg to submit the following report.

We join with all the Brethren in having our Grand Master with us today after his long and serious illness, and we trust that the Great Architect of the Universe will, in His wisdom, give renewed health and strength to our Grand Master, for many more years of service.

We congratulate the Most Worshipful Grand Master on the completion of another most successful year of this Grand Lodge, and the appreciation and thanks of Grand Lodge are due him for his leadership and devotion to the Craft.

We join with the Grand Master in his warm words of welcome to our distinguished visitors, and congratulate him on the very distinct honour conferred by the Grand Lodge of the State of Maine.

We join with the Grand Master in his expressions of regret at the passing of many prominent Masons since the last Communication of this Grand Lodge, both in our own and sister Jurisdictions.

The enthusiasm and energy of our Grand Master has again been shown in the large number of visits which he has made to the individual Lodges, and the invitations he has accepted for Installation of Officers, and we can assure him that all of the Brethren expressed their deepest sorrow when his illness did not permit him to complete the agenda which he had arranged during the earlier part of this year.

We are glad to note that this Grand Lodge was again represented at the Grand Masters' Association in Washington, the Eastern Canada Conference at Charlottetown, and the All-Canada Conference at Toronto, as much good was accomplished by the work of these representatives.

Our Grand Master's Address and the doctrines that he has endeavoured to both practice, and give to the Masonic Fraternity in New Brunswick, have been greatly appreciated by all the Craft, and are most helpful to the younger Masons, and we extend to him the heartfelt thanks of all the Brethren in this Jurisdiction, and trust that his health will con-

tinue to improve and that he will be able to render much more help and assistance to this Grand Lodge.

Respectfully submitted,

C. F. SANFORD
A. C. LEMMON
J. S. HOYT, *Chairman.*

REPORTS

Of District Deputy Grand Masters

DISTRICT No. 1

Hampton, N. B.,
July 18, 1949.

*To the M:W: Grand Master
F. & A. M. in New Brunswick:*

It is with pleasure that I submit my report as District Deputy Grand Master of No. 1 District for the year now ending.

This has been a very busy year for all the Lodges in the District, and many new members have been added to the Fraternity. I sincerely hope and trust that they will prove themselves "deserving of the honour conferred upon them, and worthy of the confidence reposed in them."

On Noveber 5, 1948, I made an official visit to Albion Lodge No. 1. At this Communication the M:W: Grand Master was honoured as a Past Master of his Mother Lodge. The Master Mason Degree was conferred on two candidates by the Officers of the Lodge, which work was done in a very satisfactory manner. The secretary's books were examined and found in good order.

I visited the Union Lodge of Portland November 16, when W:M: Sidney W. Sheppard and Officers of the Lodge conferred the M. M. Degree on five candidates. This degree was carried out very capably by all taking part in the work.

December 10 I made an official visit to my Mother Lodge, The Corinthian No. 13, at Hampton. The M.

M. Degree was conferred on five candidates by W:M: Leon Seely and his Officers. The usual high standard of The Corinthian Lodge was apparent in their work. Gordon H. Scott was elected to govern the Lodge for 1949.

St. Martins Lodge No. 30 invited me to install their Worshipful Master at their regular Communication January 10, 1949. It was a pleasure for me to install Roy G. Bridges as W. M., and his Officers into their respective stations. W: Bro. Leon Seely of The Corinthian Lodge accompanied me, and acted as Grand D. of C. At this meeting Past Master F. L. Howard, who has been Treasurer of the Lodge, was made an honorary member.

It was my privilege to accompany the R:W: Brother James S. Hoyt and Officers of Grand Lodge to the following Lodges for the purpose of installing their Officers:—Hibernia Lodge No. 3, January 11, E. A. Bradley, W:M:; The Corinthian Lodge No. 13, January 12, Gordon H. Scott, W:M:; The New Brunswick Lodge No. 22, January 13, James H. Carr, W:M:; Union Lodge of Portland No. 10, January 18, Thos. M. Corbett, W:M:.

On June 2nd I made an official visit to Carleton Union Lodge No. 8. W:M: George B. Ingraham and his Officers conferred the E. A. degree on four candidates in their usual excellent manner. This Lodge entertained Ashlar Lodge No. 105, of Lewiston, Maine, on June 25, the latter Lodge working the degree.

I visited St. John's Lodge No. 2 on June 7. In the absence of the W: M:, who was in Halifax, W. B. Glendon Smith and W: Bro. Charles Grant occupied the East for the degree work. The E. A. degree was conferred on three candidates.

On June 13 I made an official visit to Zion Lodge

No. 21 at Sussex. W: Bro. Derrell Ernst and his Officers conferred the M. M. degree, which work was done in a very creditable manner. This Lodge is planning to renovate their building during the summer months, and the members have already contributed a substantial sum of money to carry out this work.

I visited Hibernia Lodge No. 3 on June 14 and saw W:M: E. A. Bradley and Officers of the Lodge confer the E. A. degree on two candidates. Two of their Past Masters occupied the West and the South at this meeting. Needless to say, the work of this Lodge was of a high order.

At each Lodge visited I conveyed the greetings of the M:W: Grand Master and wished them all success in their work. The Officers and members of all Lodges in this District, and I am confident that every Lodge in the Jurisdiction of New Brunswick, were sorry to learn of the indisposition of the Grand Master during the early months of the year. We wish him a full recovery, and trust that he may be long spared to carry out the work of Masonry in his native Province.

Once again I would like to express my appreciation of the courtesies extended to me by the various Lodges which I visited, and their cordial reception. I would also like to commend the work of the secretaries, the books of which I have inspected, and found in good order. They have kept me well posted on their meetings.

It has been a pleasure to act as your D. D. G. M. and I wish to thank you for your confidence in re-appointing me in this capacity. I regret that my business as a commercial traveller has prevented me

from giving more time to the duties of this important office.

Most Worshipful Grand Master:—

In submitting my report for the second year as D. D. G. M. for District No. 2, I regret very much that I cannot report a visitation to all the Lodges in my jurisdiction owing to illness during the months of May and June, unfortunately, these were the months I had planned to make most of my visits.

On October 13, it was my pleasure to accompany the Most Worshipful Grand Master and other Grand Lodge Officers on an official visit to Westmoreland Lodge No. 44.

On October 24, a number of the Brethren from the three Moncton Lodges accompanied me to Sussex Lodge No. 4 at Dorchester, where we attended Divine Service at the United Church. This Service was largely attended by Masons from various Lodges.

On November 17, a number of Brethren accompanied me to Sackville on my official visit to Lebanon Lodge No. 28. The Officers of Lebanon Lodge conferred the Third Degree in a very efficient manner which proved their interest in Masonry.

On December 16, it was my pleasure to accompany Wor. Master Dickie of Tweedie Lodge No. 41 and his Officers to Sussex Lodge No. 4 and witness the Third Degree exemplified in a splendid manner by the Officers of Tweedie Lodge.

On January 13, I accompanied Past Grand Master Bro. A. S. Robinson and R:W: Bro. B. A. Atkinson to Zetland Lodge No. 24 and assisted in the installation of the Officers of Zetland Lodge.

On June 19, the Masons from Districts Nos. 2 and 7 held a Divine Service at the First Baptist Church, Moncton. This Service was very largely attended from all the Lodges in both Districts.

I am pleased to report that Tweedie Lodge No. 41 has had another busy year and a great many of the new members are attending Lodge regularly and really seem to be interested in Masonic work.

I regret that I was unable to accompany the Deputy Grand Master, Bro. R. L. Algie, on any of his official visits as the most of his visits were made during my illness.

In closing, I wish to thank all the Officers and Brothers who assisted me in any way during my term of office, also Most Worshipful Sir, for the privilege of having served as your Deputy for a second year.

Fraternally yours,

HAROLD A. NICHOL,

DISTRICT No. 3

Most Worshipful Grand Master:—

My final report as your representative in District No. 3, like previous reviews, covers a period of continued activity and progress.

I would first like to recall your visit last fall when accompanied by the Grand Pursuivant C. W. Lobban, I had the opportunity of visiting all the Lodges in my District at the time of your official visit. As your itinerary will be covered in your report, I will only summarize in my remarks about conditions in the several towns. Chatham being the starting place for this tour I recall at that time a most pleasant evening, with the large number of assembled Brethren. Degree work was put on and as usual in a creditable manner. This Lodge has been planning for some time to move to new quarters and with this event much can be expected in further advancement of the Craft in Miramichi Lodge.

The next place of visit was Dalhousie, where again the scene was one of degree work done in a commendable manner and the usual cordial mingling of the Brethren in Lodge and at the festive board. It would appear that things are going nicely in the workings of the Craft and with renovations also planned in the building here would point to continued activity among our northern craftsmen.

Continuing on to Campbellton the next evening we met with a warm greeting and a most enjoyable evening of observing the Lodge workings and Degree work carried out in the customary exemplary

way. As with the other places visited a banquet followed the work and here numerous Brethren were given an opportunity to address the Brethren. Campbellton has been very fortunate in having a splendid hall which in addition to providing good quarters also brings in a considerable revenue and adds to the healthy condition of the Lodge at present.

The next evening was at Bathurst and another cordial reception by the Brethren. Degree work which is always the custom to confer on these visits was put on and carried through in a splendid way. This Lodge continues to prosper and always conducts the workings in a proper and pleasing way. I also had the pleasure of attending a Church Service here earlier in the fall which was most successful.

The last visit was at Newcastle, bringing to a close this visitation. Here we had the largest gathering of the Craft in this District for some time and this was certainly one of the most colorful meetings held for some time. Degree work was conferred and a banquet brought the meeting to a close.

I would like to mention that at each gathering the messages which you gave were well chosen and certainly of much benefit to the Craft.

In closing, I express thanks to all who so kindly assisted me during the past four years in carrying out the duties of this office. In observing the several Lodges during this period I can state that advancement has been made and will continue.

*Most Worshipful Grand Master:—
F. & A. M. in New Brunswick:*

I can report continued progress in District No. 4, it still being necessary for a majority of the Lodges to hold emergent communications to cope with their work, applicants of high calibre are asking to join our ranks in increasing numbers, so demonstrating the esteem which our Order holds in our several communities.

The first event of importance in my District since Grand Lodge a year ago was a repeat visit to Mont-real of Masons in District No. 4 and District No. 1 of Maine. This event was again organized by R:W: Bro. Baird of Bethel Lodge and although we had fewer Brethren accompany us on this excursion, we do like to think that we had the quality. This event was of a day's longer duration than of the previous years. Departure was on November 24, returning November 28. We were again royally entertained by St. George's Lodge No. 10, they holding an emergent communication with degree work and a fine banquet.

It was again a pleasure for me to act as installing officer in my Mother Lodge, Carleton No. 35, on St. John's night; I was assisted by Wor. Bro. A. D. McCain, with Wor. Bro. Burley as D. of C. We were favored with a large attendance and several visitors. So closed a successful year for this Lodge with a record of seventeen raisings for the year.

I received an invitation to install the Officers of Hartland Lodge No. 46 on their regular communication in January which I accepted. I was assisted on

this occasion by Wor. Bro. Allen. I was delighted to note the younger members assuming office, which was a most healthy sign.

My first spring activity was to visit Benjamin Lodge No. 31 at Andover, when two candidates were given the E. A. Degree. I noted the numerous applications during their business session, also that their repairs to the hall were now entirely debt free.

The next week, I enjoyed an evening at Colebrooke Lodge No. 39 at Grand Falls and witnessed initiation work on two candidates. Wor. Bro. Merritt presided in the absence of their regular Master. Unfortunately several of the regular installed Officers were also absent, which detracted from the work. I stressed the need of regular rehearsals.

I journeyed up the Tobique valley to Plaster Rock on May 5 to attend an emergent communication of Tobique Lodge No. 48 and was pleased to see an exceptional turnout for initiation work on four candidates. I was surprised by the very efficient work of W:M: Edgar and his Officers and the progress which has been accomplished since being constituted in 1945.

I again visited Hartland Lodge No. 46 on May 6 when one candidate was given the Fellow Craft Degree. I must hasten to inform you, Most Worshipful Sir, of the new interest evident in this Lodge. They now have their own quarters, new furniture has been donated and on my particular visit, a new volume of the Sacred Law was presented by one of the Brethren as well as Rough and Perfect Ashlars by another. All in all, a new atmosphere prevails which augurs well for this Lodge, which is surrounded by two strong Lodges on either side.

A new experience awaited me when I, accompanied by several members of Carleton Lodge, accepted an

invitation from Eastern Frontier Lodge of Fort Fairfield, Maine. This was an unique occasion as the D. D. G. M. of their District was also present. I extended on your behalf, Most Worshipful Sir, the fraternal greetings from this Jurisdiction and we were given a wonderful banquet and reception. J. G. W. Petersen was also present and was given recognition due his office. We were pleased to note slight differences in their work on two candidates, who were raised to the Sublime Degree.

On May 19, Carleton Lodge held an emergent communication which was also a Past Master's night. My official office was honored in being asked to preside and during the evening four candidates were made Master Masons. I was ably assisted by Past Master Brooks of Benjamin Lodge. It was pleasing to note the friendly spirit prevailing with our sister jurisdiction in Maine as visitors were present from Monument Lodge of Houlton, Aroostook Lodge of Mars Hill, and Eastern Frontier Lodge of Fort Fairfield. I wish also to make mention at this juncture, of the numerous renovations made to the lodge hall of Carleton Lodge during the past year, the lodge-room has been entirely redecorated and a new carpet installed, the lower quarters have also been renovated as well.

I regret that I was unable to visit Woodstock and Bethel Lodges, but having been in close contact with members of both, as well as receiving their notices, I can assure you that they are both in flourishing condition. Woodstock Lodge No. 11 recently held an emergent communication to discuss new quarters and a decision was made to purchase a desirable property, well situated in the town and a start will be made in the spring to build a new building. This will fill a need long overdue. Bethel Lodge is the

only Lodge strictly following out the Educational program when they usually meet the candidate a few days before the Communication.

Before closing my report, I must mention the increased interest in my District in holding Church parades, particularly the observance of the Festival of Saint John the Baptist. This year three parades were held on the same Sunday, June 26, at Woodstock, Carleton and Colebrooke Lodges and all report good attendance.

Having now held office for three years, I feel that I must ask to be relieved; my term of office has been most enjoyable; in every instance I have been received most courteously. I must thank the Grand Secretary for his help and guidance, without which I would have been severely handicapped.

*To the M.W. Grand Master
Donald C. Malcolm,
Grand Lodge of New Brunswick, F. & A. M.,
Saint John, N. B.*

Most Worshipful Sir:

In submitting my second report as District Deputy Grand Master for District No. 5, I again thank you Most Worshipful Sir, for your confidence in re-appointing me.

I wish to state that at this writing I have not as yet completed my visit to every Lodge in this District, however, I hope to get in some, if not all of my visits, before Grand Lodge.

In October last my wife was ill with pneumonia and was ill for some considerable time in the hospital and at home. We later had the flu and the whole family was laid up, and from October to June I was in poor health and did not feel much like going away from home. My wife lost her mother by death in July just when I had two visits planned and this upset my schedule.

September 21, I was invited to join with Most Worshipful Granville Gray, Grand Master of the State of Maine, and pay a visit to St. Croix Lodge, Calais, Maine, as a representative of the Grand Lodge of New Brunswick. As Most Worshipful Master Granville Gray had been at our Grand Lodge less than one month before, he spoke in glowing terms regarding the reception accorded him at Saint John and Masonry

in New Brunswick. It was a very large gathering and a splendid evening.

December 7, I paid an official visit to Sussex Lodge No. 7. Worshipful Master Johnson and his Officers put on the Master Mason Degree in a very impressive manner. A large number were present and we had a most enjoyable evening.

January 4, we held a Masonic Education and Instruction meeting at Sussex Lodge No. 7. Worshipful Master Coffey was in the chair and there was a very large number present. A number of Past Masters took part in the ceremonies.

March 2, I paid an official visit to St. George Lodge No. 12. Worshipful Master McVicar and his Officers worked the Entered Apprentice Degree. Work performed in a creditable manner and a good number present.

April 5, we had a very enjoyable evening at Sussex Lodge No. 7, when Right Worshipful James S. Hoyt, representing yourself, along with Wor. Brothers Lemmon, Duncan and Little, presented fifty-year jewels to Bros. V. V. Vanstone, A. R. MacKenzie and Percy Anderson. There was a very large number present. The Master Mason Degree was exemplified by Worshipful Master Coffey and his Officers in a creditable manner. I also assisted with the work of the evening, as well as accompanying Rt. Wor. Brother Hoyt and other Grand Lodge Officers.

April 11: Paid an official visit to Victoria Lodge No. 26, where Worshipful Brother Meek and his Officers worked the Entered Apprentice Degree on two candidates in a creditable manner. A good number were present.

June 2: Paid an official visit to Alley Lodge No. 14. Worshipful Master Harper was in the chair. The

candidate did not appear through illness at home, however, the Officers worked the Fellow Craft Degree in a creditable manner. Much credit is due this Lodge. They have a small membership but they are enthusiastic and have a good attendance at their meetings.

June 26: We had our usual Church parade joining with St. Croix Lodge, Calais, Maine. Service was held at the First Congregational Church, Calais, Me., with well over two hundred present.

July 7: Paid an official visit to St. Mark's Lodge No. 5. Worshipful Master D. Williamson was away, but Past Master Leigh Williamson took the chair. There was no work for the evening but we had a very fine discussion on Masonry, which was enjoyed very much by all present. There was a good number in attendance.

I received an invitation from Worshipful Master Murray of Cherry Mountain Lodge to be present on June 30 at the dedication of their Lodge and join with Grand Lodge Officers. This was impossible due to the St. Croix Jubilee starting that date and it was necessary that we have all our Officers on duty at that time. It is with much regret that I was unable to be present. I tried to get some members to go to this ceremony but every one, apparently, was tied up at that time.

Masonry is very much alive in this District although we are not having the big influx in members as the last few years. However, we are getting members of a good calibre and are continuing to make rapid growth. Great credit is due Cherry Mountain Lodge as they are having a large influx of members and this Lodge is a great moral and spiritual builder

in the community, and should prosper greatly in our Masonic family.

In closing, I wish to thank all those who assisted me during the year and to assure the Brethren in District No. 5 that their kindness and many courtesies have been greatly appreciated.

Respectfully submitted,

Most Worshipful Grand Master:

I wish to express to you my appreciation for the privilege and honor of representing you in this District for the second year.

On September 20, 1948, accompanied by Past Master J. J. Johnson and several members of Grand Lake Lodge, I attended your official visit to Sunbury Lodge and witnessed the Third Degree exemplified by Wor. Master Tracey and his Officers. Was indeed pleased to find on this visit that Sunbury Lodge had started enlarging their lodge quarters.

On October 4th, I attended your official visit to Alexandria Lodge. At this meeting the First Degree was conferred, and I may state that I never witnessed this degree put on better. The whole work of the evening speaks well for Alexandria Lodge Officers and members. The large number of visitors from the other Lodges in this District shows the harmony that prevails.

On December 27th, I assisted R:W: A. D. King, P.D.G.M., install the Officers of Grand Lake Lodge.

On March 21, 1949, I visited Alexandria Lodge at an emergent communication, when five candidates were raised.

On July 2, I accompanied Grand Lake Lodge Officers to Sunbury Lodge where they exemplified the Master Mason degree. Sunbury Lodge has completed

an addition and has completely remodelled its Lodge-room. The Lodge-room is about twelve feet longer and has a nice preparation and waiting room upstairs with a large dining room on the ground floor, and it certainly has had a prosperous year.

I am sorry to report that I did not visit Hiram Lodge this last year. On three occasions, when I planned to make a visit, I was unable to do so on account of illness.

On July 27, the Officers and members of Grand Lake Lodge and myself were indeed sorry that you were unable to attend the dedication of our new building owing to sickness. The Dedication Service was carried out in an able manner by R:W: Brother Hoyt, assisted by Grand Lodge Officers. Although the weather was very warm, the lodge quarters were filled to capacity with visitors and members, and we had the pleasure of hearing an address by R:W: Bro. G. P. Burchill, P.G.M.

In closing my report, I would like to take this opportunity of thanking all those who assisted me during this last year, and I sincerely wish you a speedy recovery from your illness.

Fraternally yours,

Most Worshipful Grand Master:

It is again my privilege and pleasure to submit my report for District No. 7 and in so doing allow me first to express my appreciation to you Sir, for the honour again conferred in re-appointing me to serve as District Deputy Grand Master.

Freemasonry insofar as membership is concerned is still increasing rapidly in most of the Lodges as it has during the past few years, but from the present outlook of world conditions it would seem that our aim should be to try and make better rather than more Masons.

The ritualistic work in the Lodges has become so uniform, thanks to the Grand Lodge Ritual Committee that very little instruction is needed from the District Deputy, therefore our visitations are more or less routine, although it is always a pleasure to meet old friends and to make new ones.

On Saint John's night I had the pleasure of installing Wor. Bro. Seely and his staff of Officers in my Mother Lodge and on January 7 assisted by Wor. Bro. Fletcher as Director of Ceremonies I installed Wor. Bro. Eagles and Officers of Salisbury Lodge No. 20.

On March 4 I again visited Salisbury Lodge and witnessed the Master Mason Degree conferred in a very creditable manner.

On March 8 I visited Steven Lodge No. 37, where the Fellow Craft Degree was conferred by Wor. Bro. Humphreys and his Officers very satisfactorily.

On April 11, accompanied by a goodly crowd from Havelock, Salisbury and Howard Lodges, I visited Albert Lodge where the Fellow Craft Degree was again conferred very creditably.

On June 27 I visited Acacia Lodge No. 49; in the absence of the Worshipful Master Wor. Bro. McAfee presided in the East and conferred the Master Mason Degree in the same splendid manner that has highlighted the work of Acacia Lodge since its constitution.

Due to circumstances beyond my control I failed in two attempts to visit both Keith and Howard Lodges this year, for which I am very sorry, but I know that from the manner in which the Lodges were conducted on my previous visitations and from the type of degree work exemplified at that time that they are progressing very favorably.

I have attended all the meetings of Fownes Lodge throughout the year and am pleased to report that the work carried out there is comparable to the other Lodges in the District.

In closing, allow me to take this opportunity of thanking you for the privilege of again serving you.

Yours fraternally,

L. C. DIMOCK,
D. D. G. M., District No. 7.

In Memoriam

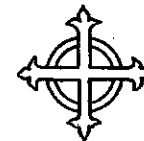

To

The Honoured Dead

of

Sister Grand Jurisdictions

1949

*"There is no death! the stars go down
To rise upon some fairer shore,
And bright in Heaven's jewelled crown
They shine for ever more.*

*"They are not dead! they have but passed
Beyond the mists that bind us here,
Into the new and larger life
Of that serener sphere."*

*"How fast they fall, those we have known,
As leaves from Autumn branches blown so quickly sear,
Yes; one by one they drop away
As leaves that fall, and stray and disappear.*

*"Sleep on, dear friend, such lives as thine
Have not been lived in vain,
But shed an influence rare, divine,
On those who here remain."*
