DEVOTIONAL ADDRESS MASONIC SERVICE

There is a saying amongst church people, "I can meet God as well on the golf course as I can in the worship of the church," and this is said sincerely. Masons say, "I can discern the light of Masonry in the way I meet my fellow man as well as I can in the Lodge." Are these statements true, or are we deceiving ourselves?

Within the Christian Church, we are celebrating at this time the Feast of the Ascension. In the Book of Acts, we read, "When He had spoken these things, while they beheld, He was taken up; and a cloud received Him out of their sight."

The meaning of this experience was not that Jesus went up into the air, and if we were to ascend high enough into the atmosphere we would find Him – we do not have to do that at all. The Ascension means that Jesus has taken on a different form of existence. He exists in a different dimension. Modern science teaches us something about living in a different dimension. We have been shown that if we escape from the earth's gravitational field we experience weightlessness, and so the idea of "up" and "down" disappears. When we say that Jesus ascended, we mean that He is no longer bound by the dimensions of space and time. We don't look for Jesus "here" and not "there"; we don't think that if we pray at the right time Jesus will hear us. Space and time have nothing to do with the presence of Jesus. The Ascension means that Jesus is available to everyone, everywhere, at all times.

If this is true, what is wrong with thinking that we can meet God and worship Him on the golf course, out fishing in the boat, or when we are watching the stars at night as well as when we meet for worship in His church? Why do we say that we must go to the Lodge to experience the true light of Masonry?

The first lesson was the lesson which told about King Solomon (1 Kings 8:22-30), probably one of the wisest men the world has ever known, and he had built this beautiful temple. His father, David, had saved and gathered the beautiful things of the earth, the gold and the brass and the timers, all of the things that were necessary to create the

most beautiful temple that could ever be built, and Solomon had constructed that temple. Then he came before God in prayer, and he prayed that this temple would be the focal point of God's presence within the midst of His people. He said, "Watch over this temple day and night, this place where you have chosen to be worshipped. Hear me when I face this temple and pray." Then he went on to talk about the people, "When your people are defeated by their enemies because they have sinned against you, and then when they turn to you and come to this temple, humbly praying to you for forgiveness, listen to them." He saw God as focussing His attention and meeting His people in this temple which he had built; this was where they were to worship Him and this was where they were to meet Him and come in contact with Him. In the midst of his prayer, however, there is a verse which seems to contradict everything else. He said, "But can you, O God, really live upon earth? Not even all of heaven is large enough to hold you, so how can this temple that I have built be large enough." It is as though Solomon is saying, "God is so great that He is everywhere. He's on the mountains, He's revealed in the floods, in the beauty of the day and the glory of nature. He is everywhere, and here I have built a temple. Why in the world should people come and meet Him in this temple when He is everywhere?" And yet that thought quickly passed from his mind, and he went on praying about the temple being the place where His people were to meet Him.

This same contradiction is indicated in the thinking of people when they say, "I can certainly worship God on the golf course; I can worship Him in my summer cabin; as I sit and feel the warmth of the sun I can worship God; I don't really need to go to church," and people will say that sincerely. Why is it that I would say that they are deceiving themselves? Why did Solomon build this temple and want people to meet in it if this were truly possible? Now it is possible for you to meet God in these places, everyone knows that, but what is the difference between worshipping God out on the golf course and worshipping Him in church? Why is it essential that you come and worship here in this church? Why is it that you are deceiving yourself if you think that you can be as close to God out on the hillside as you can here? People sincerely believe that.

The reason is that the mind of man is so finite, and God is so infinite, that all that you see of Him on the golf course is so minute in comparison to what the essence of God really is. It is like the sun shining above us. Someone will say, "My, isn't that sun warm!" But you have no idea of how warm the sun really is. All that you feel from the sun are a few tiny rays of a vast infinite number of rays that fill the whole universe. All that you experience is a tiny, tiny fraction of the rays of the sun when it falls upon you compared with what is available from that vast sun flooding out into God's universe. And the same

thing is true of us when we look at God by the river, on the mountain, on the lake, on the golf course. All that we see is a tiny, insignificant part of the essence of the real God. How do we know? Well, by the way God has dealt with us. Moses, wandering the hills of Palestine and Egypt, saw the splendour of God, and yet God had to come to him in a flaming bush. One insignificant, finite bush, burning in the midst of the vastness of God's universe. God came, and Moses saw God in a completely different way than anything he could see in the vastness of the realms of God. He came so much to see the essence of God at that moment, that the very ground around the tree felt as though it was holy. God recognized that the mind of Moses was so small that the only way He could reveal Himself to Moses was in a special way by coming in a burning bush. When Elijah fled, he could see the power of God in the earthquakes, in the great wind, but he didn't really recognize the essence of what God was until God came and spoke to him in a finite, still, small voice and when God came and spoke to him in that way, in that finite way, then the finite mind of Elijah could fathom the infinite essence of God. Why did Jesus come as one of us? God had been revealed in all history, but man couldn't see it. His mind was too small, and so God had to come as a finite individual in order for man to really meet God and know Him as He really is. You can see Him in the vastness of the world, but you never really know Him until you meet Him as God reveals Himself in these special events. And the same thing is true of worship. When you come to worship God at the Eucharist, for example, He meets you in a different way altogether than by the brook, or out on the sand, or out on your boat. It's peaceful there, but you do not meet God as God determined that you were to meet Him in the finite experience. The glory of that experience was laid down by Jesus Himself, as He said, "Take, eat; this is my body, this is my blood." As you come to that Eucharist, you come to meet God in all the essence of what God is like, in a way in which God has determined that you can receive Him far more abundantly and far more wonderfully than you can in nature itself.

Of course, it is possible to come to church and not receive. When I was in Florida a while ago, Mrs. Genge had a little different colour than I had, and you would say, "The sun didn't do you much good." Well, the sun didn't do me any good because I covered myself with all kinds of things so that the sun couldn't get through to me. You can come to church, and do exactly the same thing. You can come with a closed mind, and you can cut yourself off and never meet God, just as I didn't open myself to the sun. If you come to worship God in His church, and you know in your heart that the message of the Ascension is true, that God is alive, and that in this worship you are confronting the living God in the way in which He determined you would meet Him, in a finite act, you will have and experience which is not possible out of the hillside. But having met God in this experience of worship, you will see Him in a more wonderful way out in the boat or on the golf course. Meet Him here, and you will see the real God much more beautifully everywhere.

The same thing is true for Masonry. If you experience the real light of the Architect of the universe in the ritual expression of an open Lodge you will see reflections of that light in all your walks through life.

Following the Service the brethren returned in procession and resumed labour.

The Grand master thanked the V:W: Grand Chaplain for the inspiring service and message.

It was moved by R:W: C. N. Hollett, seconded by R:W: J.D. McKenna and carried that the Devotional address, given by the Grand Chaplain, be printed in full in the Proceedings.

The Grand Master reminded all present that the annual meeting of the Grand Lodge Corporation would be held at 8:30 a.m. May 14 and that all members of Grand Lodge should be in attendance. he also called attention to the location of the ballot box which would be available to receive ballots from 9:00 a.m. May 14 until the time set for closing.

It was moved by M:W: Bro. Steeves that Grand Lodge take recess until 9:00 a.m. May 14 1988 and that the first order of business be the reading of nominations for the elected Grand Lodge Officers. Carried.

MORNING SESSION, SATURDAY MAY 14 1988

The Grand Lodge resumed labour at 9:00 a.m. with the Most Worshipful The Grand Master presiding. He announced that nominations for elective offices were duly closed.

The Grand Secretary R:W: B. A. Prescott presented the nominations for the elective offices for the ensuing year.

It was moved by M:W: Bro. Oulton and seconded that the ballot close at 2:00 p.m. and that the election of officers be at approximately 2:30 p.m. following the report of the Credentials Committee.

The M:W: The Grand Master requested the Deputy Grand Master to assume the Grand East and delivered Grand Masters Address 1988.

GRAND MASTER'S ADDRESS, MAY 14th, 1988

Brethren:

It gives me great pleasure to extend greetings, and a warm welcome to this the 121st. Annual Communication of the Grand Lodge of New Brunswick.

Each communication brings with it many members of long standing, faces that are remembered and looked for year after year. This lends strength and permanence to our institution. Equally important are the new faces, those attending for the first time. You in time will become the backbone and the senior members of this body. I therefore especially welcome those who are with us for the first time and hope they will taken an active part in the proceedings, and what is very important, that you may return to your own Lodges with a greater understanding and appreciation of the work that goes on here and the problems we face. You will be a source of information and education for your Lodges if you share with them the workings of Grand Lodge. the strength of Masonry lies in the individual Lodges, and it is our concern that each Lodge is a tower of strength in their respective communities.

This is the time and the place for any brother to have his say on matters pertaining to masonry. This is your legislative assembly, where every brother is equal and has his right to speak. Exercise this privilege. It is your Grand Lodge. One brother one vote. Your vote is as valuable as mine and carries equally as much in weight as in any ballot.

Again it is a great pleasure to have the seats in the East filled with many distinguished visitors from our neighbours in Canada and the United States of America. This friendship between our two countries is nowhere as evident as it is in the Masonic Order. We have been instrumental in a large measure in bringing this happy relationship to its present state. We have received a great deal of criticism from various branches of the Christian Churches over the past few years, which is totally unwarranted. They could learn a great deal from us I think in the realm of getting along with other people, and in the practice of Faith, Hope and Charity and the greatest of these is Charity.

These yearly Communications also brings with it a note of sadness. Year by year age takes its toll, and our ranks are reduced by many old familiar friends through age, sickness and death. The names

of our departed brethren will be printed in the year book but, first, I will mention the passing of one of our most beloved Past Grand Masters, Most Worshipful Brother Donald A. Somerville. He will be greatly missed by all of us. Also the untimely death of our Grand Chaplain, Very Worshipful Brother Roy Baker Evans after a mere seven weeks in office.

Brethren, join me in a short silent tribute to those departed members we have just recognized. Following the silence the Grand Chaplain will offer a prayer on their behalf.

This, my first year in office has been a very enjoyable one. It is no job for an elderly man however. The year has gone by with incredible speed. Time never moved as fast as it has this past year, and if the next travels as swiftly I shall be getting old before my time. I think this speaks for itself, in that I have had a very enjoyable year.

During this year I made 62 visitations, official and otherwise. A list of these will be published in the 1988 proceedings.

One of the great joys of Masonry is the opportunity of visiting the Lodges of this Jurisdiction. I was impressed by the Lodge buildings. They show that there is a great pride, care and concern for the Lodge itself, and the furnishings show that they are significant to the Craft. The support and brotherly affection was very evident. I was likewise very happy with the support and co-operation of the Grand Lodge Officers, both past and present, who supported me on my official visitation. It made my task much easier, and enjoyable. To all those who assisted me on these occasions I extend my heartfelt appreciation. While on this subject I would like to mention the support I have received, and through me to the Grand Lodges as a whole, from our Grand Secretary Right Worshipful Brother Prescott, and his able staff. This past year also saw the resignation of our Grand Treasurer M:W: Brother Haycox. We were all sorry that he felt it was time for him to retire. I personally, and I know that the Grand Lodge collectively, appreciates the years of great service he has given to the Grand Lodge of New Brunswick in this important office.

It is unfortunate that the Scottish Rite Bodies felt is necessary for financial reasons, to terminate their sharing of the office expenses. This loss of revenue made it incumbent upon us to make revisions of the working hours of the Grand Lodge Office, and no doubt will cause some confusion and adjustment. No doubt all things will work out in time, but it will cause some increase in the expenses of the Grand Office as we will lose the revenue paid by these bodies.

In March of this year accompanied by Rt. Wor. Bro Charles Hollett, the Deputy Grand Master, and Rt. Wor. Bro. Basil Prescott, I attended the Annual Grand Masters conference in Winnipeg. It was my task to present a paper on the involvement and influence of the family on Masonry. Many other papers were given and much discussion took place which was of great value. The problems of various jurisdictions were discussed, and this greatly broadened our vision of Masonry throughout Canada.

DISTRICT DEPUTY GRAND MASTERS

I must pay tribute to the fine performance of the various D.D.G.M's over the past year. Through the implementation of the Mentor Program the work of the D.D.G.M's was greatly increased. I thank them and all the brethren who drove so many miles and put in so many hours upon this educational work. This should have a beneficial effect in making Masonry more understandable and an awareness of the meaning and value of the craft. This is a vital need if Masonry is going to survive as a vital force in every community.

STATE OF THE CRAFT

We are all concerned by the gradual decline in membership. It is not as rapid as it has been, but still we are not showing any increase, and while we can take some comfort that the pace of the decrease is slowing down, it is still a decrease. Let us all try our best to halt this trend.

The only thing that is causing me concern in the Order is the slow progress of the Masonic Housing. The new foundation set up under the title: The New Brunswick Charities and Housing Co. Ltd. has been working hard and putting a great deal of effort into this worthwhile scheme, but I am disappointed that no more progress has been made. When one considers the numerous housing complexes built by different organizations in this province by bodies much less numerous than our own, I must say again that I am a little disappointed by the lack of anything tangible on our part.

Let us hope that some progress of a visible nature will take place in the not too distant future.

Finally my brethren let me say that it was a great honour to be elected Grand Master of New Brunswick. I realize now, after this year in office, how great an honour it has been. I have enjoyed every minute of it. I may not have accomplished much, but if you have enjoyed me as much as I have enjoyed you, it has been a very worthwhile year. If we haven't accomplished much, we have had a good time doing it, and if we can continue spreading Faith, Hope and Charity and brotherly love among ourselves, then no task will be too great or impossible to undertake and the Craft will go on from strength to strength in the future.

Moved by W: Bro. J. R. Andrews and seconded by R:W: S. Scribner that the address by The Most Worshipful The Grand Master be received, printed in full in the Proceedings and referred to a Committee of Past Grand Masters for review and report. Motion carried.

The Deputy Grand Master, Rt. Wor. Bro. Hollett, then appointed a committee of all Past Grand Masters present under the Chairmanship of Past Grand Master J. S. Brooks to review the Grand master's address and present their report to Grand Lodge.

Again, in 1987 we regret to note that membership in our great fraternity has suffered a further decline, but, despite this disturbing trend, the year has been another busy one in the Grand Lodge offices. However, with the part-time assistance, as is now being supplied by our newly-appointed Deputy Grand Secretary, R. Wor. Bro. Scribner, I am pleased to report that we have managed to keep pace for the most part and, I believe, render a reasonable level of service not only to all of the 51 lodges of the Jurisdiction, but also to our Sister Grand Lodges in Canada, the U.S.A. and throughout the world.

Suspensions and Demits totalling 114 for the year continue to account for more than the overall decrease in membership of 98 which strongly suggest that **these are the two areas** which require and **must have** the concentrated and **immediate attention** of all lodges **if we are to survive, grow and prosper.**

I once again extend my sincere thanks to all Lodge Secretaries and Masters for their generous support and assistance and also to Miss Doreen Ross, the Grand Lodge

Secretarial Assistant, for her dedicated and efficient service during the year. I would also like to express my gratitude to R:W: Brothers Scribner, D. G. Secty, and R:W: Irvine P.D.G.M. and P.G.S. who are also most deserving of our deepest thanks for their valuable contributions to the Grand Lodge operations.

REPORT OF THE RITUAL COMMITTEE

TO THE MOST WORSHIPFUL THE GRAND MASTER, OFFICERS
AND MEMBERS OF THE GRAND LODGE OF NEW BRUNSWICK:

As Chairman of your Ritual Committee I wish to submit my report for the year just passed and to say that we of your Ritual Committee have enjoyed being a part of this important committee of Grand Lodge.

Your Ritual Committee met twice during the year.

Only three Districts requested the attendance of the Ritual Committee during the year; District No. 1 for our attendance at a Lodge of Instruction in Saint John; Districts 2 and 7 for our attendance and participation at a Joint Workshop held in Havelock, N.B.

I, again, make reference to a Weekend Workshop held in a central location for all Districts. I bring this to the attention of the District Deputies as it would be a great benefit to them and their Districts.

We would like to say that members of your Ritual Committee are available to give assistance if requested and also would welcome any suggestions that would improve our work if within the landmarks of our fraternity.

We recommend that the Manual for Semi-Public Installation of Lodge Officers be adopted and approved for use as Official Manual for all Lodges in the Grand Lodge of New Brunswick. The Manual was adopted and approved by the Board of General Purposes at its March Meeting.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

To: The Most Worshipful The Grand Master,
Officers and Members of The Grand Lodge
of New Brunswick, F. & A.M.

In this committee's report presented on May 9, 1987, you were informed that applications for recognition from certain State Grand Lodges of Brazil and Mexico were under review and our recommendations deferred.

In 1978 the State of Mato Grosso, Brazil was divided into two distinct states – the State of South Mato Grosso and the State of Mato Grosso. A new Grand Lodge was then formed; i.e. The Grand Lodge of the State of Mato Grosso. This new Grand Lodge in correspondence commencing in 1985 and with subsequent follow-ups, has requested recognition from The Grand Lodge of New Brunswick and as its Declaration of Principles sent with the request for recognition would indicated that this Grand Lodge is regular in every way, you Committee on Fraternal Relations recommends that our Grand Lodge extend recognition to the Grand Lodge of the State of Mato Grosso, Brazil and exchange Grand Representatives.

In February 1986 we received a request for recognition from the Grand Lodge of the State of Minas Gerais, Brazil, and since this Grand Lodge is entirely regular in its Declaration of Principles, you Committee also recommends that the Grand Lodge of New Brunswick extend recognition to the State Grand Lodge of Minas Gerais, Brazil and exchange Grand Representatives.

Similiarly, the Grand Lodge of Santa Catarina, founded on April 21, 1956 has made application for reciprocal recognition with the Grand Lodge of New Brunswick, and being regular in every respect through its Declaration of Principles, it is recommended that the Grand Lodge of New Brunswick extend recognition to the Grand Lodge of Santa Catarina and exchange Grand Representatives.

Requests for recognition have been received from the Mexican State Grand Lodges of Nuevo Leon, Tamaulipas, "Benito Juarez" of the State of Coahuila, and El Potosi. Although advising that each have met all the criteria adopted by The Conference of Grand Masters of North America for fraternal recognition and indicate recognition by many of the Grand Lodges of the United States of America and in Canada by a few of our Grand Lodges, there remains the question of sovereign or exclusive territorial

jurisdiction of those lodges comprising the Conferderation of Mexican Grand Lodges, which we have recognized for many years, as do almost all other North American Grand Lodges and those of England, Scotland and Ireland, the York Grand Lodge of Mexico. Therefore, you committee cannot recommend recognition of the lodges of the Confederation of Mexican Grand Lodges which to our knowledge are not in amnity with the Grand Lodge we already recognize.

The Grand Lodge of Cuba. This Grand Lodge had been recognized by the Grand Lodge of New Brunswick for many years with exchanges of Grand Representatives. Our last listing of this Grand Lodge appeared in our 1969 Proceedings and a review of our files does not reveal any recommendation to Grand Lodge through this Committee to remove recognition. The Commision on Information for Recognition reports that the "Gran Logia de Cuba" inaugurated January 1984, is, in the Commissions opinion, clandestine and irregular, encroaching on the exclusive territorial jurisdiction of the Grand Lodge of Florida. The Grand Lodge of Cuba, at Havana, continues to be recognized by eight of our Canadian Grand Lodges as well as the Grand Lodges of England, Scotland and Ireland. Correspondence relating to the updating of Grand Representatives initiated this review and as a result this committee recommends that the Grand Lodge of Cuba be again listed as being recognized by the Grand Lodge of New Brunswick and exchange Grand Representatives.

Your Committee on Fraternal Relations notes that with the passage of time several vacancies again exist in our list of Grand Representatives and respectfully suggests these deficiencies be reviewed and worthy nominees selected for recommendation to the applicable Grand Jurisdictions.

QUINN MEDALLION:

District #3 – W:B: Robert J. Wallace – #17

The Grand Master directed that Bros. Jackson and Jellison be presented to the East, but it was reported that V:W: Bro. Jackson was attending a United Church Conference and R:W: Bro. The Grand Master agreed to have these **two Beardsly Award presented to the recipients by their respective D.D.G.M.'s at later and convenient dates.**

W:B: R. J. Wallace was also absent but R:W: Bro. L. A. Miller D.D.G.M. No. 3 offered to deliver and present his Quinn Award as soon as possible.

REPORT OF THE JURISPRUDENCE COMMITTEE 1987-1988

The Most Worshipful The Grand Master, Members of the Grand Lodge and Brethren.

The Jurisprudence Committee has had a relatively inactive year. No reviews have been made by the committee. No formal "Notices of Motion" have been presented for this Grand Lodge Session, and only two queries have been presented for consideration. One of the queries requested authorization to place a date on a Past Masters

apron denoting the year the individual Master of his Lodge. This request could not be accommodated as the Constitution designates the emblems which may be worn on aprons.

The second request was for clarification and interpretation of visiting privileges for demitted brethren. This item is covered under section 4 Page 72 - 1982 Constitution "Of Visitors".

The interpretation is that a demitted brother may visit any lodge - but only on one occasion during his secession from membership in a Craft Lodge.

The fact that no formal "Notice of Motion" for alteration or addition to the Constitution augers well that Grand Lodge of New Brunswick is progressing favourably in the opinions of the brethren. The Jurisprudence Committee expresses appreciation to you M:W: Grand Master for your appointment of each one of us to this Committee.

Respectfully submitted,

REPORT OF THE MASONIC EDUCATION COMMITTEE 1987/1988

TO THE MOST WORSHIPFUL THE GRAND MASTER AND
MEMBERS OF THE GRAND LODGE OF NEW BRUNSWICK
F. & A.M.

Your Grand Lodge Committee on Masonic Education Submits the following report summarizing the activities of the past 12 months.

We visited all districts during the year. During these visits we distributed the first copies of the mentor Program and had detailed discussion on its use. Most of the lodges have reported a favourable reaction to the Mentor Program. Although due to some complaints, we have reprinted the Mentor Program in a print type which we believe is easier to read. The new copies were sent to the lodges through the district education officers in March.

We are continuing to send short articles and quizzes to the districts in hopes that the lodges may use them on educational evenings or for work shops.

As in years past, we continue to ask for input from the lodges whether good or bad. We can not improve that with which we see no fault. So if you have a problem relating to anything educational, let us

know so we can help. We are there to serve you.

ANNUAL REPORT OF NEW BRUNSWICK MASONIC CHARITIES AND HOUSING COMPANY LTD. TO THE 121st COMMUNICATION OF THE GRAND LODGE OF NEW BRUNSWICK

The first meeting of this Company following Grand Lodge on May 8 & 9, 1987 was held on June 10, 1987, at Sussex, N.B. At this time several matters were dealt with including the procurement of the Company Seal; preparation of a Budget; requirements to become a Charter Member in the Company and the passing of a motion approving a request to the Board of General Purposes for Capital Funding.

A second meeting was held on September 15, 1987 at which time special guests in attendance were Bro. Earl Wilson, President of the New Brunswick Senior Citizens Foundation and Bro. Kenneth Darrah, Secretary who spoke on the need for housing for seniors in New Brunswick. The President of this Company reported on a meeting he and the Secretary had with Mr. Walter Waite of New Brunswick Housing Corporation. As a result of this meeting, studies for senior housing were requested for Saint John, Moncton and Woodstock.

Our third Company meeting was held on December 8, 1987 at which time Charter Membership in the Company was extended from December 31, 1987 to March 31, 1988. Action was also taken in the form of a Newsletter to have the Grand Secretary and the D.D.G.M.'S kept informed of the workings of the Company. Studies were received from the Moncton and Woodstock areas and the Board directed that the President and secretary be authorized to submit applications to the N.B.H.C. and were approved by same on May 4, 1988. A most generous donation in the amount of \$1,000.00 was received from Woodstock Lodge No. 11 in memory of deceased brethren. Other substantial donations have been received during the year including a \$300.00 donation from members of Tweedie Lodge No. 41. Several sub-committee meetings were held during the year resulting in a comprehensive outline of the "whole purpose of this company" being prepared; a copy of which has been forwarded to the Department in Ottawa. Bro. David Young of Granite Lodge No. 54 was appointed by the Grand Master to fill a vacancy on the Board representing the Upper Saint John River Valley.

A fourth meeting was held in Fredericton on April 9, 1988 at which time the requirement by Revenue Canada for supplementary Letters Patent was discussed. Amendments to our Letters Patent were voted on and approved by the Board and later ratified by voting members at the Annual General Meeting. These have since received

the approval of the Provincial Minister of Justice and forwarded to the Department of National Revenue in Ottawa and subsequently approved. We are proud to announce that as of yesterday, April 15, 1988, we have received our "Charitable Registration Number" which is #0787226-01.

At this time I express on behalf of our Company sincere thanks to all who helped make our registration possible, especially Brother Douglas Ellsworth, Brother Scott Ellsworth, Rt. Wor. Bro. James McKenna, who made verbal contact with Ottawa and a very special thank you to Wor. Bro. Freeman Dunnett, who through his untiring efforts, brought it to fruition. Also thanks goes to Bro. Peter Crocco for taking care of last minute documents in order to complete our "Supplementary Letters Patent".

Rt. Wor. Bro. G. Donald Gruchy

ANNUAL REPORT NEWSLETTER MOSTLY MASONRY

April 22 1988

M:W: The Grand Master.
Officers and Members
The Grand Lodge of New Brunswick

It is my privilege to present the second annual report as Editor of MOSTLY MASONRY and Chairman of our Publications Committee.

Two editions, AUTUMN 1987 and SPRING 1988, have been printed and distributed to the Lodges. The former contained an enclosure on behalf of the New Brunswick Masonic Charities and Housing company Limited. The Publications Committee met on January 26th and recommended that a readership review be carried out in order to determine what we must do to increase our coverage from most of the lodges and find out what are the best liked and most disliked portions of the present format. A questionnaire was then prepared. Due to time and cost involved, the survey was carried out by members of the Board of General Purposes on January 30th.

The survey showed:

1. an overwhelming desire for the newsletter to be continued.
2. that the District Deputy Grand Masters through their District Education Officers could well be the proper vehicle for such news from their respective districts.
3. nothing was disliked but many wanted more news of the Lodges and short articles of general interest.
4. it was recommended that lodges in Districts 3,4 and 5 should have their copies shipped to the secretaries of their respective lodges.
5. it was recommended that the Editor's name and address should be given in the Newsletter so that the various lodges would know where to sent material and thus lighten the load on the Grand Secretary.

It is our intention to have the succeeding editions consist of six printed pages with double fold as outline in our first annual report in 1987.

I wish to thank all our contributors, District Deputies, Lodge Secretaries and the Grand Secretary and his staff for their practical

assistance along with the members of our Publications Committee. It is our intention to make this Newsletter a valuable instrument in the advancement of our Fraternity throughout New Brunswick. Please help us to achieve our goal.

REPORT OF THE FINANCE COMMITTEE GRAND LODGE OF NEW BRUNSWICK F. & A.M.

The Most Worshipful the Grand Master, Distinguished East Peers and Brethren All:

Although the Financial Statements you have received earlier today cover the period April 1, 1987-Dec. 31, 1987, this report of the Finance Committee covers the Masonic year i.e. from Grand Lodge Communication ;87 to the present time.

It was with regret to this committee that our Grand Treasurer, Most Worshipful Bro. Fred S. P. Haycox found it necessary, due to health reasons, to submit his resignation to the Most Worshipful The Grand Master effective Dec. 31, 1987. Most Worshipful Brother Haycox has served this Grand Lodge as its Grand Treasurer for seventeen consecutive years. this is the longest period of time that any Grand Treasurer has served this Grand Jurisdiction since its beginning some one hundred and twenty-one years ago. We express to M:W: Bro. Haycox our sincere thanks for those many years of devoted service to the finances of our Grand Lodge and wish him well with improved health during his years of retirement.

The vacancy which occurred due to the resignation of M:W: Bro. Haycox was filled by R:W: Brother Andrew Allan, through the appointment by our M:W: The Grand Master under Constitution Section 19 Page 39 - 1982 edition.

We certainly welcome Rt.Wor. Bro. Allan to our committee and hope that he may occupy the office of Grand Treasurer for a period even exceeding that of the previous incumbent. As well as having a new Grand Treasurer during the year, the finance committee also received a new chairman. It was with regret that the previous Chairman, Right Worshipful Brother John Flewelling, after 12 years of service to the committee requested not to be re-appointed again due

to health reasons. R:W: Bro. Flewelling also served this Grand Lodge well for all those years and we express our appreciation to him in like manner as for M:W: Bro. Haycox. Hence, my brethren, you observe two new faces at the helm of the finances of your Grand Lodge at this time.

Your Finance Committee has met on several occasions during the year and has fully reviewed Grand Lodge Financing, Grand Lodge Investments, the Quinn Trust and Grand Lodge Expenditures. Although this report may be somewhat more lengthy than recent financial reports, I believe we owe a full report to our membership in an attempt to bring you up to date with our observations as new brooms. At the commencement of the year under review, Grand Lodge had an Investment Portfolio of some thirty-two different stocks and bonds for a total value of \$420,000. All Investment Certificates are held in trust by the Royal Trust Co. here in Saint John. There is a considerable fee for this service as indicated in our financial statements. The Maturity dates of our Certificates vary from current to the year 2009. Some 32% of our Certificates will mature within a five-year period, 5.7% will mature within a 5-10 year range and 61.9% mature in excess of 10 years. The Committee considers it more desirable to have a larger percentage of the portfolio to be maturing in the medium range period of 5-10 years and will be considering that position as certificates mature.

While your committee takes the greatest caution possible when purchasing investments, some concern has been expressed as to individual liabilities when acting on your behalf. We attempt to have approximately 2/3 of the portfolio in Government and Government guaranteed bonds with the balance in Corporate stocks and bonds. We would request your authorization to continue such purchases within these approximate ranges.

We also reviewed the Quinn Trust Account and recommended to the Board of General Purposes that it be amalgamated within the Current Account of Grand Lodge and was consequently authorized by the Board.

This Committee was requested by the M:W: The Grand Master, through the Board of General Purposes, to recommend an amount of money to be donated to the Masonic Charities and Housing Co. Ltd. from Capital Funds of Grand Lodge. Since this request is of such magnitude I believe it appropriate to reiterate to this Grand Lodge the full report as presented to the Board of General Purposes. The Finance Committee in conjunction with the Special Committee appointed by the M:W: The Grand Master investigated Grand Lodge expenses and presented the recommendations to the Board of General Purposes. As

of May 1, 1988 the Ancient and Accepted Scottish Rite bodies found it necessary to vacate the shared expenses of secretarial staff in the Grand Lodge Office, hence it has been necessary for Grand Lodge to assume responsibility for a portion of that financial contribution made by the A. & A. S. Rite. I am certain that you will receive, through other reports, details that our office secretarial position has been reduced to a part-time position with a mid summer lay-off. This is being attempted as an economy measure on a part-time basis and further assessments will be made at the end of the summer season. The Board of general Purposes also requested these combined committees to assess the honorarium of the position of Deputy Grand Master and Grand Master of this Grand Lodge. The honorarium for the Deputy Grand Master of \$300.00 a year was commenced ruling R:W: Bro. Gruchy's time in office and has continued at the same level since that time. It must be understood that the D:G:M: has minimal responsibilities while the G:M: is within the jurisdiction - i.e. he presides at Grand Lodge while the G:M: is presenting his address to this august body. His responsibilities become active only when the G:M: is outside the jurisdiction for an extended period of time or when the G:M: becomes incapacitated. Under these conditions the D:G:M: assumes the responsibilities, with few exceptions, as that of the G:M: If during the course of the year a D:G:M: chooses to visit lodges, he does so as an individual member of the Grand Lodge with no additional authority and at his own expense. Hence, the committee determined that no additional honorarium could be recommended. The situation relative to the position of G:M: is somewhat different. The current honorarium for a G:M: is \$2,500 per year and has remained at that amount for the past twelve years. That alone might suggest need for alteration. However, it should also be remembered that in 1976 a G:M: was expected to visit every lodge annually. In 1983 this requirement was reduced to once every two years, thus, reducing travel requirements by 50% or increasing income by 100%. Net results being similar. The return travel distance to every lodge in this jurisdiction from a southern location is approximately 10,00 miles averaging 200 miles and \$100.00 per visit. However, a problem arises when a G:M: is requested to make return personal visits. The Committees were of the opinion that visits of the G:M: subsequent to his official visit should be at the expense of the individual lodge extending the invitation through the normal channels. It is, therefore, recommended that no change be made at this time to the honorarium for a G:M: However, it is further recommended that in the future when a G:M: is requested by a lodge for an additional visit within the two-year period that the grand Secretary invoice that lodge in an amount of \$100.00 and that same be given to the G:M:

For the past number of years it has been customary for the Finance Committee to recommend to Grand Lodge the amounts of funds for Scholarship awards and grants to Lodges. I will again, this

year recommend that \$10,000 be provided for Scholarship Funding on basis similar to recent years and further recommend that a grant of \$550.00 be made to each lodge within the Jurisdiction for the current Masonic year. It is considered desirable that in the future these expenditures be included in the regular budget as presented to the Board of General Purposes at the beginning of each year.

I would also inform you that the budget for the 1988 calendar year is a deficit budget in an amount exceeding \$16,000. The authorization for increased dues as passed by the Grand Lodge last year takes effect only this year at the craft lodge level and will not be received by Grand Lodge until the end of the year after Saint John's Day in December.

All of this is respectfully submitted on behalf of your Finance Committee.

M:W: F. S. P. Haycox
M:W: A. Buchanan
R:W: O. Nason
W: K. D. Dunn
W: A. Allan
M:W: I. D. Steeves, Chairman

I would move that this report be received, adapted and printed in full in the proceedings. Seconded by M:WL Bro. Haycox.

On the question, R:W: Bro. Linkletter moved that this report be tabled until the reports of all committees, including the N.B. Masonic Charities and Housing Co., Ltd. are received and dealt with. Seconded by R:W: D. G. Gruchy. After much debate and discussion this motion was carried.

Wor. Bro. Robert Strokes of Woodstock Lodge No. 11 then outlined his research of the will and bequest of the late William G. Quinn and his views as to the wishes of the late Brother Quinn regarding housing for Senior Masons, etc. He then moved as follows:

"I move that the Grand Lodge of Free and Accepted Masons of New Brunswick donate the income of \$75,000 for a Senior Citizen's Complex from the William Gibson Quinn Trust Account for the purpose of Capital Expenditure with the stipulation that the first complex built be named the Quinn House."

The motion was seconded by W:B: Ronald Caines of Coverdale Lodge No. 52.

On the question R:W: Bro. Owen Walton asked, should the motion be passed would funds be taken from Quinn Trust Capital or interest earned and also what effect such a donation would have on the annual grants to all lodges? He was assured that funds could only be taken from interest earned and M:W: I. Dale Steeves, Chairman of the Finance Committee, offered his opinion that if the motion passed and the grant of \$75,000 was approved, Grand Lodge would not be able to continue the annual grants to the Craft Lodges, and also other arrangements would be necessary to continue scholarship funding. R:W: J. D. McKenna then spoke in favour of the motion and felt that, by his calculations, plenty of funds should be available from Quinn Trust revenue (interest earned) without danger to Capital Funds.

Wor. Bro. William E. Cooper of Hiram #6 then spoke at some length stating that while he was not opposed to "the principle that we should become involved in Masonic Housing" he urged extreme caution and commented:

"I think it is inappropriate for us to be considering major contributions from the Trust when there is no project set out, there is the possibility of a project, but there is nothing tangible being presented in the form of housing and if we involved ourselves with a private corporation and considerable amount of money in a project that, so far, is non-existent."

He also noted that funds given "will be subject to whatever ruling Revenue Canada makes and this is not, in my estimation, the appropriate time to make any contribution from this body to that Corporation unless there is a project in place and unless those funds are going to be expended in the immediate and in the current year in which they were contributed."

Finally, he stated that "if this Grand Lodge comes back with a substantial proposal and one that is imminent then I think that we might re-consider the matter at that time".

M:W: Bro. Blake Oulton noted that we could be considering a donation of "a considerable amount of money to go to a private corporation over which we, as Grand Lodges have no control."

W: Bro. D. Mayes pointed out that, to date only 700 Masons out of a total New Brunswick membership of approximately 7,000, or 10%, had so far shown support for the housing concept, and while he too supported the corporation in principal he felt that, first of all, the uncommitted 90% or membership should be developed and that the Finance Committee's recommendation that funds be conserved for future needs should be supported at this time.

R:W: Bro. D. Gruchy again stated that The New Brunswick Charities and Housing co. is to construct, maintain and operate apartment complexes and that they "would be totally in control of 50% of them".

After further brief discussions and remarks, The Grand Master called for a vote on the motion and it was carried by a narrow margin. (91 to 83).

REPORT OF THE GRAND HISTORIAN

My report to you will be brief and hopefully to the point.

Work is continuing on a provincial history, but not as quickly as I had anticipated, and certainly not as quickly as I would like. Writing a book is not an everyday assignment, and seems to move by "fits and starts," particularly when the would-be writer is a volunteer who has not yet reached the golden years of retirement. The task at hand certainly leaves little time for the traditional chronicling of current events.

No matter what the task at hand, I have come to the conclusion that the Grand Historian needs volunteer assistance to keep abreast of current events. My forays into the north of the province are few and far between, and reflect a lack of budget (for which I am not making a request), and the limitations placed by the distances to which I may drive after a day's work. I request only that volunteers from the various districts please contribute information concerning unusual or interesting items to me.

The Grand Historian still needs help from many individual lodges to bring their histories up to date. Lodges in District No. 4, during R: Wor. Bro. Dingee's term of office as District Deputy Grand Master and as a result of his urging, have accomplished this task, and this effort by the authors and the right-worshipful brother is much appreciated. I am aware that there are other lodges trying to complete their histories and they receive my moral support and encouragement. I recommend that the two newest lodges, Granite and Adnaki, prepare a story about the events that led up to obtaining their warrants and, a review of their subsequent accomplishments.

I bring to your attention that many of the original documents upon which Bunting based his history would appear to have been lost in fires or have simply disappeared. At one time I would have recommended the donations of ex string historical documents and archive materials to the provincial museum for safekeeping, but recent developments leave me with reservations regarding that

suggestion. The housing of any historical collection requires a concern for safe storage – safe from deterioration, destruction and shrinkage – and the maintenance of a proper catalogue of the materials contained in the collection, and most importantly, a responsible custodian. Private homes do not usually meet these requirements, are not always accessible, and occasionally require gross, uncontrolled and unplanned transfer of the materials to another location. Such collections may be at risk because of a controlled storage environment – lack of proper air circulation, humidity control, and the risk of fire are some examples of the kinds of concerns encountered. In considering storage, we need volunteers to come forward and offer to help with the job.

There is a Canadian collection in storage in Newcastle and undoubtedly there is material in it that would be of interest to us. The custodian of that collection is Bro. Jack Ullock.

In the last two decades, there have been a number of local community histories written, some concerning family geneologies, others containing lists of settlers arriving by ship, and some dealing with the development by Loyalists of our communities. We have never attempted to add this material to any of our libraries, and the donation of any spare copies would be much appreciated. They provide useful information to cross-reference to lodge membership in order to learn more about our early brethren. They are expensive to buy new and we have not appreciated their value to reaching a better understanding of our roots.

In closing I ask consideration to be given to inviting the Grand Historian to attend the various meetings of the Board of General Purposes not necessarily as a member, but as an observer so that he may be kept better informed concerning issues.

Respectfully Submitted

THE MOST WORSHIPFUL THE GRAND MASTER,
FREE AND ACCEPTED MASONS OF NEW BRUNSWICK:

It is with feeling of extreme satisfaction and deep regret that I submit this my final report as D.D.G.M. District No. 1. My two years in office have been fulfilling and rewarding.

I accompanied the Grand Master on official visits in and around District No. 1. All the lodges in this district have been visited on numerous occasions and I have attended the Board of General Purposes meetings when it was possible.

The introduction of the travelling gavel has resulted in a friendly rivalry between the lodges and has helped to produce good attendances at different meetings. Unfortunately all lodges are facing declining memberships through attrition.

Some lodges have met the challenge of declining attendance by putting on innovative and entertaining programmes. It is gratifying to see new members being put to work in the lodges, either as officers or as lecturers.

All in all the experience of acting as District Deputy Grand Master has been rewarding and educational and I pledge my continued support to the office of the Most Worshipful the Grand Master and Grand Lodge.

Respectfully Submitted
Gordon S. Young

DISTRICT NO. 2

MOST WORSHIPFUL THE GRAND MASTER,
GRAND LODGE OF NEW BRUNSWICK, F. & A.M

I tender herewith my report on Fraternal activities within District No. 2.

Visitations and Presentations

It has been a very busy year and all lodges in the District have been visited at least twice, with several visits to lodges in our neighbouring District No. 7. I have always been welcomed on every occasion and recently on my Officials Visit I have had tremendous support from my predecessors and other officers and members of Grand Lodge. There were 47 brethren with me when I visited Lodge St. Andrew in Rexton on March 14th for a total attendance estimated at 93. During these visits I have been pleased to present, on your behalf, 25 and 50 year pins and Grand Lodge Certificates.

Presentation of 70 Year Bar

The first 70 Year Bar in this District was presented to Bro. Allison S. Geddes by M:W: Bro. William Murray, PGM on September 22nd 1987 in the Moncton Hospital. Bro. Geddes received his Master Mason's Degree in Tweedie Lodge, No. 41, on September 14, 1917. His immediate family were present as were the following Past Masters of Tweedie Lodge, Robert Livingstone, Secretary; Benson Stymiest, IPM, and C. A. Pincombe, D.D.G.M. Bro. Geddes, then 92, was most appreciative of the honour conferred upon him.

Church Service

The Annual Church Service for Districts 2 and 7 was held on September 27 in St. Andrews United Church in Rexton with Lodge St. Andrew No. 16 as host Lodge. The Minister, Rev. David C. Jackson, Past Grand Chaplain and Secretary of Lodge St. Andrew, conducted this Service and delivered an excellent message on the meaning of Friendship. Grand Lodge Officers took part in the Service which was attended by approximately 75 Masons, Eastern Star and families.

District Meetings and Workshop

A District meeting for Districts 2 and 7 was held in Salisbury on Saturday, October 3rd and was well attended. R:W: Bro. Robert Kidney acted for R:W; Bro. Curtis E. Steeves, D.D.G.M. No. 7, while Wor. Bro. Charles Palmer acted as Secretary. A District Workshop for ritual purposes was part of the regular Communication of Fownes Lodge No. 45 in Havelock on November 27th. Two members of the Ritual Committee were present when the presiding Masters from 12 of the 14 Lodges in the two Districts formed a team to confer the Master Mason Degree without lectures. The Ritual Committee was most constructive and the more than 60 in attendance considered the evening a great success. The Chairman R:W: Bro. Price also clarified a recent amendment to the Ritual pertaining to certain officers. The 1988 District meeting will be held in Moncton on Saturday, April 30th and will consider the use of parliamentary procedure in our business sessions as one topic.

Meetings

I have attended all but one of the meetings of the Board of General Purposes, the special section for District Deputies last June, 3 meetings of the Education Committee including the special session held for the Masters and Mentors in Moncton on October 19th.

Mentor Program

Wor. Bro. Neil Gras of Keith Lodge is our District Education Officer and has created and maintained a good liaison with the Mentors of the various lodges. The program is now fully operational and candidates in 1988 are receiving the benefits of this long overdue

program. In addition, material on various topics and VCR tapes are available.

Installations

A feature of the 1988 Installations was a number of SEMI-PUBLIC Installations. They were very well done and drew much favourable comment from the families in attendance. I attended all the Installations in District No. 2, save Dorchester, and 2 in District 7, taking part in every one. It may be of interest to mention that the Master of Lodge St. Andrew, Rodney G. Girvan was installed by his father R:W: Garth Girvan and the new Master gave the Charge to his officers. It should be stated that between December 29 and January 22, there were 14 Installations in these Districts and it is both unfair and unreasonable to expect a person, who is working daily, to attend **all** such functions.

NEW BRUNSWICK MASONIC CHARITIES AND HOUSING COMPANY LIMITED

The Lodges and Brethren of District No. 2 have supported this worthy enterprise. I was happy to see two brethren from Tweedie Lodge on the Board of Directors, namely M:W: Bro. William Murray, PGM and Wor. Bro. Les Brown.

Special Events

- June 10 Westmorland Lodge, Port Elgin acted as hosts for a community banquet to honour R:W: Bro. Dr. H. G. Hetherington and Mrs. Hetherington.
- June 16 Tweedie Lodge held a **Bill Murray Night** to honour our recent Grand Master with several presentations, including one to Mrs. Murray.
- September 25 Fownes Lodge held a banquet prior to Lodge, since they held the Travelling Gavel. R:W: Bro. George Robinson made several presentations and spoke of his young days in Havelock.
- November 21 Attended the Second Greater Moncton Masonic Dinner and Dance.
- December 10 Zetland Lodge, Shediak Cape, honoured R:W: Bro. Chesley Bateman, PDGM, with several gifts in honour of more than 40 years service to the Craft.
- January 23 Attended the Installation of the Officers of Westmorland Assembly, No. 23, Order of the Rainbow for Girls, and brought Greetings from you and your Grand Lodge. These young ladies are most deserving of our support.

Summer Communications

Zetland Lodge No. 24, Shediak Cape will be meeting in July and August on the second Thursday this summer on a trial basis. They did not meet in February or March.

Public Relations

Three of our smaller Lodges have taken on a big project. Sussex No. 4 of Dorchester, Lebanon No. 28 of Sackville and Westmorland No. 44 of Port Elgin have pledged to pay for the ornamental tables and chairs in the atrium of the new hospital in Sackville. The Worshipful Master of Lebanon Lodge, Wor. Bro. David Jones is the coordinator of this project, which is an excellent effort in improving public relations in this area.

Area of Concern

The membership in District No. 2 dropped from 844 in 1986 to 832 in 1987; deaths alone accounting for 30 and suspensions 4. Municipal taxes are a cause for concern among a number of our lodges. Several lodges have their Master living outside of the community in which the lodge is located or it could be the secretary; the result is difficulty in communicating with one another and the lodge is often the victim of this confusion. I have noted that lodges which have harmonious relations with their chapter of the Eastern Star appear to have great success in their joint endeavours.

The Grand Master

I look forward to seeing you in our District in the coming year.

In Appreciation

If this past year has been successful and I believe it has been; then it is due to the outstanding support which I have received from every Lodge, its Masters, Officers and Past Masters and Brethren all, especially my worthy predecessors and other Grand Lodge officers and members. All have given so much time and talent to the advancement of our Fraternity in new Brunswick. It has been a moving experience and I am most grateful to one and all.

Fraternally and respectfully submitted:

District Deputy Grand Master,

THE MOST WORSHIPFUL THE GRAND MASTER,
FREE AND ACCEPTED MASONS OF NEW BRUNSWICK:

I am pleased to submit my report on my first year as District Deputy Grand Master No. 4. I have visited all lodges in my district unofficially at least two or three times. My official visits were:

Woodstock Lodge No. 11 – November 5, 1987
Tobique Lodge No. 48 – February 18, 1988
Colebrooke Lodge No. 39 – March 9, 1988

I attended all Board of General Purposes meetings which I found very interesting and useful in my part as district Deputy Grand Master. I attended most of the Installation Ceremonies in my district. Three lodges meet on the same night and it makes it hard to cover the meetings.

I accompanied the Grand Master on his visit to:

Benjamin Lodge No. 31 – October 1, 1987
Hartland Lodge No. 46 – October 7, 1987
Carleton Lodge No. 35 – October 8, 1987

I also attended two Curling Bonspiels in my district and met many new friends that I will never forget.

I look forward to the coming year when I plan to have a District Workshop on June 4, 1988 at Benjamin Lodge No. 31 in Andover. I am sure the Education Committee will give us some good points.

It has been a very great honour to have served you as District Deputy Grand Master for my first year and I thank you.

Respectfully submitted

THE MOST WORSHIPFUL THE GRAND MASTER
FREE AND ACCEPTED MASONS OF NEW BRUNSWICK

It is with much pleasure that I submit my first report as District Deputy Grand Master of District No. 5 and wish at this time to thank you for the honour bestowed upon Mananook Lodge No. 38 and myself of the appointment to this high office.

I have had a very busy year accompanying you on your official visits in District No. 5, Victoria Lodge No. 26, Ashlar Lodge No. 36 and St. George Lodge No. 12, as well as your official visits in District No. 1, the Corinthian Lodge No. 13, Albion Lodge No. 1, Union Lodge of Portland No. 10, Zion Lodge No. 21.

My first official duty as D.D.G.M. on Saturday, May 23, 1987, I attended International Night/Hands Across the Border, which was co-hosted by St. Marks Lodge No. 5, St. Andrews and Crescent Lodge of West Pembroke, Maine. A total of 22 lodges were in attendance, with 7 out of 8 lodges from District No. 5 being represented.

I have attended all of the Board of General Purposes Meetings which were held this year in Saint John.

I have visited all of the lodges in the district, except my two Island Lodges; Mananook, Grand Manan and Abnaki, Deer Island, which I intend to visit during the month of May, making a total of eleven visits, two of which were official. Also made eleven visits to lodges in District No. 1, including three installations of which I was able to take part.

On June 9th, I attended the D.D.G.M.'s Workshop hosted by the New Brunswick Lodge at which an Allstar Degree Team put on the Fellowcraft Degree for one candidate.

I have had the honour on your behalf to present five 60 year pins and four 50 year pins, including certificates. One of the 50 year pins was to the Most Worshipful Past Grand Master, Gordon Coffey, whom I consider to be the number one Mason of Charlotte County, and will cherish that honour as one of the many highlights of my first year as District Deputy Grand Master.

On Monday, the 14th September, a Mentor Program Mentor Program Meeting was held at St. George Lodge with R. W. Bro. Maurice Linkletter who presented the program to 7 out of 8 lodges of District No. 5 who were present to receive their books. I have attended several meetings in which a lecture from the program was presented

by the District Educational Officer (W. Bro. Donald Jones). The brethren have taken a keen interest in the program and have benefitted immensely from these lectures.

In closing, it has been a most rewarding year for me and I am looking forward to the ensuing year. I would also like to thank W. Bro. Donald Jones of Sussex Lodge, St. Stephen, for accompanying me on most of my visits throughout the District, as well as his excellent work as the District Educational Officer of the Mentor Program.

THE MOST WORSHIPFUL THE GRAND MASTER,
FREE AND ACCEPTED MASONS OF NEW BRUNSWICK

It is with a great sense of honour and pleasure, that I present this, my first annual report on the state of the Fraternity and the approximately 1200 Brethren in District No. 6

I would be remiss, Most Worshipful The Grand Master, if I did not begin with wishing you the greetings and congratulations of the Masters, Wardens, Officers and brethren of the eight lodges in District No. 6, upon the very successful completion of your first term as our Grand Master. We hope your second term will be equally successful and enjoyable to you, and to this end, we pledge our support.

May I say that, from my observations, masonry is alive and well, and if not thriving, it is moving ahead in district No. 6.

Our 8 Craft Lodges possess a wealth of Masonic experience and expertise in Ritual, and a great exuberance and energy to carry on, improve and expand Blue Lodge Masonry that has not been lost on our newer members.

In my approximately 37 visits during the past year, I have been happy to witness a melding of talents of both senior and junior members of the Craft in promoting the welfare and advancement of their Lodges and of the Fraternity as a whole.

As I have previously explained to you, and as I am sure you understand this has been a very difficult year for me personally, having lost my eldest son to a drowning accident at the very time I was being installed as District Deputy Grand Master.

And yet, this loss has strengthened my love and devotion to the Masonic Order. The overwhelming expressions of Brotherly Love and Relief, and the tremendous support and assistance I have received from the Masters and brethren in my district, and from Masons from all parts of this Grand Lodge jurisdiction have strengthened my resolve to do all in my power to contribute to the furtherance of our Fraternity.

The high point of the year, I feel, was the development and introduction of the Mentor Program. On behalf of the Masters and brethren of District No. 6, I extend our congratulations and appreciation to R:W: Bro. Maurice Linkletter and his committee for their tireless efforts in producing this outstanding educational aid.

I was also most fortunate in having the dedicated assistance of my appointed District Educational Officer, W: Bro. Orville Mason. His energy and commitment to Masonic education has been invaluable to me.

I would also express my thanks to the Masters of the 8 Lodges in District No. 6 for their instant acceptance and exuberant support of the Mentor Program, and to the Mentors whom they appointed, and who so readily and enthusiastically supported this new concept.

Our formative meeting was held in Hiram Lodge No. 6 in August with all eight lodges fully represented by Masters and Mentors, and after the helpful instructions of R:W: Bro. Maurice Linkletter and his committee, the program was well Christened and has since flourished. Acceptance in the lodges has been most gratifying.

Visibility of Masonry in District No. 6:

I feel the Lodges of District No. 6 are making steady progress in improving the public image of the Fraternity through various individual projects such as school prizes, assistance to the needy, assistance to groups such as Cubs and Scouts and other worthwhile endeavours. Just recently I witnessed a generous donation by brethren of Landmark Lodge in Boiestown toward supplying an educational device for a handicapped student.

I commend the Lodges for these efforts, and will encourage greater efforts in the future. A healthy public image is, I feel, invaluable to our future growth.

Ritual:

For the most part, our Lodges demonstrate a good understanding of the Ritual and I feel would compare favourably with Lodges in any other district in the professional manner in which they carry out their meetings and in the exemplifying of degrees.

I have noted some weaknesses, which you will note in the individual lodge reports, and I will endeavour to assist in further developing the excellence of our work.

Visitations:

As I have attempted to balance the requirements of my appoint as District Deputy with the need, due to our personal loss, to spend as much time with my wife and children as possible, I have not, perhaps, visited Lodges in my district as often as I had planned.

However, I did make approximately 37 individual Lodge visits during the year. I attended all installations with the exception of Granite No. 54, which I unfortunately missed due to illness.

I participated in four of these installations, and in addition was myself installed as Senior Deacon of Cherry Mountain No. 50 in my home village of Harvey Station.

I made official visits to all eight Lodges in District No. 6, and in each case was well supported by brethren from other Lodges and well received by the Masters and Brethren of the Lodge being visited. Again the support and encouragement of the 16 Masters (8 each in '87 and '88) of the Craft Lodges in my district, has been exemplary and I thank them all most sincerely.

On September 16th, I was most honoured to assist in the dedication of the new regalia at Granite Lodge No. 54 in Temperance Vale. This fine new regalia was dedicated to the memory of Bro. Robert Myles, a strong supporter of the Lodge, and father of Bro. Brian Myles and W: Bro. Paul Myles, who is the presiding Master of the Lodge. The Brothers Myles assisted me by clothing each of the officers with his regalia. This was indeed a touching and impressive ceremony.

During my many Lodge visits, I have been accompanied by many brethren. Their support has been most appreciated. Most frequent companions included the Immediate Past D.D.G.M., Rt. W: Bro. Frank C. Bean whose support and encouragement has been invaluable to me, also his constant travelling companion, W: Bro Theodore Mills, my personal Director of Ceremonies W: Bro. Vernon Lister and two distinguished individuals who frequently shared the speaker's podium with me, R:W: Bro. Donald Gruchy (Masonic Housing) and my District Educational Officer, W: Bro. Orville Mason.

To these and all the other brethren who supported me through a very difficult year, I say "THANK YOU BRETHREN". I might not have made it without you.

Most Worshipful The Grand Master, I thank you for my appointment as District Deputy Grand Master for District No. 6.

The past year has been most rewarding, and has indeed been a valuable learning experience which I shall always value and remember.

I trust that my experience will stand me in good stead in completing the second year of my appointment with even greater benefit to Masonry in New Brunswick.

THE MOST WORSHIPFUL THE GRAND MASTER,
FREE AND ACCEPTED MASONS OF NEW BRUNSWICK

It is with pleasure I submit my report as District Deputy Grand Master of District No. 7.

I visited all the lodges in my district several times and feel they are functioning well showing good interest.

It was a pleasure to attend upon The Most Worshipful The Grand Master on his official visits to Acacia Lodge No. 49, Moncton and Zion Lodge No. 21, Sussex.

I wish to thank the Masters of lodges and their officers for the receptions I received during my official visits as well as all other visits. Also, to thank all presiding and Past Masters and Wardens who supported me on all my official visits.

The District meetings for Districts two and seven were hosted by District No. 7 at Salisbury under the Chairmanship of Right Worshipful C. A. Pincombe D.D.G.M. of District No. 2 with all but four lodges of the two districts having representations.

The annual Church parade was hosted by District No. 2 with Lodge St. Andrews No. 16, Rexton as host lodge. A good attendance by Masons, their family and friends help to make this service so

successful as we were inspired and encouraged by the message of Rev. D. C. Jackson, B.A., M.Div., and a Past Grand Chaplain of Grand Lodge of New Brunswick.

An Educational Night was hosted by Fownes Lodge No. 45 at Havelock under the direction of Worshipful Brother R. M. Hoar with other presiding and past Masters. A large attendance witnessed the drama of the Master Masons Degree. Corrections and suggestions were made by the Education Committee of Grand Lodge followed by a Question and Answer Session and good discussion.

The Mentor Program has been introduced into all the lodges of District No. 7 with a Mentor appointed in each lodge and showing good interest.

The District Educational Officer for District No. 7 Wor. Bro. Ronald Caines has given good leadership in this new position and is well received by all the brethren. My sincere thanks to Wor. Bro. Caines for his cheerful services.

My thanks also to Rt. Wor. J. Robert Kidney and Rt. Wor. George C. Robinson for their assistance and encouragement and for being my Director of Ceremonies on my Official Visits.

Finally, I would thank the Most Worshipful The Grand Master for the privilege of serving him and Grand Lodge in this way. I have grown in Masonry and I hope my services are satisfactory.

By motion of M:W: Bro. Haycox, seconded by R:W: Bro. McKenna and carried, Grand Lodge was then recessed for lunch to resume labour at approximately 2:00 p.m.

The brethren repaired to the Banquet Hall and enjoyed a roast beef dinner served by the ladies of Nerides Temple No. 78 Daughters of the Nile and this was followed by a very inspiring, interesting and informative address by M:W: Bro. Kenneth W. Aldridge, Past Grand Master, The Grand Lodge of Quebec A. F. & A. M. who was introduced by R:W: C. H. Jarvis and thanked by R:W: Bro. C. N. Hollett.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS 1988

TO THE OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK

We, the Committee to whom was referred the address of the M:W: the Grand Master, beg leave to advise that we have duly reviewed the address and report as follows:

We agree with The Grand Master on his following comment, "The strength of Masonry lies in the individual lodges and it is our concern that each Lodge is a tower of strength in their respective communities."

The Grand Master is to be congratulated on the many visitations made to individual Lodges in the last year. Due to the nature of our Province, this requires a great amount of travelling and many late nights.

We sympathize with the M:W: Grand Master in the loss each year of so many of our members through age, sickness and death. However, this is a fact of life which we all will face eventually.

We commend the Grand Master on the many distinguished guests that are here from the United States and other jurisdictions in Canada. We sincerely hope they enjoy their visit with us.

In conclusion, we again congratulate our Grand Master on his accomplishments during the year and trust that the Supreme Architect may continue to bless and keep him under His watchful care.

Faithfully and fraternally submitted,

J. S. Brooks P.G.M.
