ANNUAL REPORT OF THE BOARD OF GENERAL PURPOSES

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
 OFFICERS AND MEMBERS OF THE
 GRAND LODGE OF NEW BRUNSWICK

The first of four meetings of the Board was held on June 28, 1997. It was called to order by the Grand Master, M:W:B: Osborne L. Nason, who, after welcoming remarks, turned the meeting over to the constitutionally designated Chairman, R:W:B: Evan W. Thomas, Deputy Grand Master. R:W:B: John C. Dunham, Senior Grand Warden, was then elected Vice-Chairman.

In a report on the "One-Day Class", held on April 26, 1997, in Riverview, N.B., M:W:B: William H. Balser remarked on the success of the event and listed for the record the Primary Officers and Lecturers for the day. He also noted that the event came in somewhat under budget.

The Board increased the Grand Master's annual travel allowance from \$3,500 to \$3,750 effective May 10, 1997. It also established, effective the same date, a yearly travel allowance, each, for the Senior and Junior Grand Wardens.

The new Chairman of the Masonic Charities and Housing Corporation, W:B: Brian Francis, reported that \$18,000 was paid for a very successful Camp Goodtime 1997. \$4,500 was also given in support of the 1997 Deaf, Blind and Rubella Camp.

At the request of W:B: Francis, the Board approved the sale of Camp Goodtime lapel pins at \$3.00 each. Sales will be made by Masonic Charities & Housing through the various New Brunswick Lodges. The Board also approved the sale of Return Address Labels bearing the Masonic Square and Compasses, with proceeds to the Masonic Charities and Housing Corporation. A suggestion was made by a Board member that each package of labels contain a note advising against using the labels for business purposes.

Masonic Charities and Housing has also reported that Camp Goodtime 1998 will be held at the Rotary Camp on Grand lake during the first week in August, with Sponsor Day scheduled for August 2nd.

A suggestion was made that New Brunswick consider making available to its members a 50-Year Medallion, similar to that used by other jurisdictions. The Awards Committee was given the task of investigating availability, costs, etc. and reporting back to the meeting.

In his remarks to the Board, the Grand Master suggested that whenever possible, photographers be used at special occasions so that a visual record may be had for future reference.

According to section 12, page 44 of the Constitutions (adopted at the 130th Annual Communication) all Directives of the Grand Master currently on the books will expire at the conclusion of the 131st Annual Communication. Accordingly, notices of motion on the following subjects were prepared by the Jurisprudence Committee: Allowing the wearing of Blue Aprons and Medals with a Tux and Fez by members of the Luxor Temple Past Masters Unit when on parade; Requiring that all degrees must be conferred in their entirety at a single meeting, excepting the lectures which must be given as soon thereafter as possible; Specifying that the examination and Obligation for each degree shall be completed by the candidate in "Open" Lodge except under special circumstances when, by permission of the District Deputy, the Obligation may be given in the preparation room; Directing that the Grand Master only shall close Lodge in "short form"; Allowing Semi-Public Installations only upon permission of the Grand Master, with the request to be submitted through the District Deputy 30 days in advance and then done from memory except for the ancient charges. The full form of these motions were reviewed and approved by the Board and are contained in the Proclamation for Grand Lodge.

The content of the Directives regarding the explanation of the penalties of the Obligations, the placing of the burning tapers during the first degree and the use of the Sign of Fidelity, including at the opening and closing of the Great Lights has been placed in the Ritual.

Also reviewed, approved and placed in the Grand Lodge Proclamation were notices of motion to make the appointment of a Deputy Grand Secretary permissive rather than mandatory; One requiring the preparation and distribution by Grand Lodge of memorials each time a Grand Master or Past Grand Master dies; And one adding the term "Masonic" to the section of the constitution governing the display of emblems and adding language clarifying the penalties and methods of handling violations of this section.

The Grand Lodge computer is now connected into the Internet and the Grand Secretary may now be reached by E-mail at masonic@nbnet.nb.ca.

The Board asked the Grand Master to appoint a committee to explore the possibilities of rearranging the Grand Lodge office space for greater efficiency and possibly even establishing dedicated office space for the Grand Master. Reports on this will be returned at a later date.

It was unanimously decided that an extra bar for 3rd generation Masons would NOT be allowed to be added to the Lewis Jewel.

The Board approved limited financial support to assist in the establishment of the new Grand Lodge of Newfoundland and Labrador. This support was sent with our delegation to the instituting ceremonies, which was headed by M:W:B: Charles N. Hollett. A letter was later received thanking us for this support and requesting official recognition. The request for recognition was referred to the Committee on Recognition.

It was noted the letter "G" is not displayed on the 50-Year Pins currently being issued in New Brunswick. It was decided that the pin would be redesigned before being reordered.

The Jurisprudence Committee has been requested to review the office of District Deputy Grand Master and submit appropriate recommendations to the Board.

The Ritual Committee has been asked to review and make recommendation to the Board regarding the possible changing or removing the existing penalties from the Obligations of the 3 Degrees.

The Board authorized the Grand Master, Deputy Grand Master and the Grand Secretary to attend the All Canada Conference in Winnipeg.

In remarks to the Board, the Grand Master noted that the Jurisprudence, Education, Masonic Renewal and Constitution Review Committees have been particularly active this year.

The Board has decided to require that all committee reports be submitted to the Grand Secretary, in writing (typed), at least 21 days prior to Grand Lodge, or in the case of 1998 by April 15th. The reports will then be printed or duplicated and distributed in the registration area at Grand Lodge. The report presenter at Grand Lodge will give only a very brief summary of the report and then move or cause to be moved the ACCEPTANCE of the report. If the report contains recommendations requiring action by Grand Lodge, they will be presented, moved and acted upon in the usual manner.

The Credentials Committee will also be asked to shorten and summarize its report as the complete report will be printed in the Annual Proceedings.

In order to help the Grand Secretary ensure the accuracy of the Proceedings, the Board authorized him to rent any necessary public address and sound recording equipment, which has been done.

The Board approved a motion that Annual Proceedings be reviewed and proof-read by the Grand Master of the session and by the Grand Historian prior to final printing. They also approved a motion that a complete list of all Past Grand Lodge Officers be printed in the Proceedings.

The Board asked the Grand Secretary to investigate the advantages, if any, of changing the format in which the Annual Proceedings are printed.

On closing, I would like to thank all of the Members of the Board for their efforts in making this a productive year for Freemasonry in New Brunswick. I must particularly express my thanks to R:W:B: Andrews and R:W:B: Piercey for their stellar efforts with the records and agendas of the Board.

Fraternally,

Evan W. Thomas
Deputy Grand Master

REPORT OF THE RITUAL COMMITTEE

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK

On behalf of the Grand Lodge Ritual Committee, I would like to present our report. During the year, we requested a second printing of our new decoded ritual at which time the printing errors of the first printing were corrected.

The Ritual Committee also attended on the Grand Master and any workshop we were asked to attend. I would also urge any Lodge master or ritual committee to please contact us if you have any problems or need our assistance. We are here to serve.

I would also like to personally thank Rt. Wor. Bro. Andrews and Rt. Wor. Bro. Price for their unwavering support and assistance.

Fraternally submitted,

R:W:B: J. R. Andrews
R:W:B: F. J. Price
R:W:B: F. G. Pelley
R:W:B: F. A. Healey, Chairman

Recapitulation of Membership:

Affiliations	31	Suspensions	85
Reinstated	11	Deaths	133
Total	144	Total	291

Once again, it is time to gather the information and report.

The Annual Returns have both good news and bad news. Many Secretaries submit a perfect report that agrees with our database and requires only a minimum amount of checking. Others submit a report that requires hours of work trying to figure it out. To date, three Lodges have failed to report at all.

We have attempted to put together the Annual Reports in one package this year and it has met with a certain amount of success. It was the Board's intention to receive these reports as printed and any recommendations therein would be dealt with following the presentation of the report.

We feel that this arrangement of receiving reports would enable us to devote more time to other important matters facing Grand Lodge and give us input from more of the Members.

Once again, I express my sincere thanks to the many members who have assisted us here at the Grand Lodge Office in so many ways, we welcome you any time.

Fraternally submitted,
R:W: J. Ralph Andrews, Grand Secretary

OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

For the benefit of the newer members of Grand Lodge, your Committee relies primarily on the Annual Report of the Commission on Information for Recognition prepared for presentation to the Annual Conference of the Grand Masters of Masons in North America. The following are extracts from the report.

The Commission was organized in 1952 as a facility to gather, collate and from time to time to revise information on Grand Lodges in other lands and as a service to the Grand Lodges of this Conference. Fundamentally, it determines whether or not a Grand Lodge seeking recognition, conforms to established standards. Briefly they are:

1. Legitimacy of Origin.
2. Exclusive territorial jurisdiction, except by mutual consent and/or treaty.
3. Adherence to the Ancient Landmarks — specifically a belief in God, the volume of the Sacred Law as an indispensable part of the Furniture of the Lodge and the prohibition of the discussion of Politics and Religion.

The Commission's investigation usually requires the gathering of information from various sources such as proceedings, written or oral information from knowledgeable individuals, other Grand Lodges and from discussions at meetings with representatives from foreign Grand Lodges.

We have received a request for recognition from the Grand Lodge of Burkina Faso, a western African country, formerly known as Upper Volta, located north of the Ivory Coast and Ghana. It is a French speaking country, having formerly been a colony of France. The Grand Lodge of Senegal, with the assistance of the Grande Loge Nationale Francaise, consecrated on September 13, 1997, the "GRAND LODGE OF BURKINA FASO" in their capital city. The Grand Lodge of Senegal is recognized by thirty members of the North American Conference including our own Grand Lodge, also by England, Scotland and most other European Grand Lodges. Based on the endorsement of its regularity by the Grande Loge Nationale Francaise, and its Constitution and Laws, the Commission is of the opinion that the Grand Lodge of Burkina Faso is regular and entitled to recognition.

Accordingly, your Committee recommends to this Grand Lodge that recognition be extended to the new Grand Lodge of Burkina Faso.

A request for recognition has been received from the recently consecrated Grand Lodge of Newfoundland and Labrador.

Early in 1997, the twenty-seven lodges of the United Lodge of England comprising the District Grand Lodge of Newfoundland, voted to form an independent Grand Lodge of Newfoundland and Labrador. This action met the approval of the Grand Lodge of England, and was subsequently consecrated on November 1, 1997, in the presence of representatives of both the United Grand Lodge of England and the Grand Lodge of Scotland.

The Grand Lodge of Scotland has a District Grand Lodge of Newfoundland with sixteen lodges and both the Grand Lodge of Scotland and its District Grand Lodge agreed to the formation of the new Grand Lodge, although only three lodges of the Scottish Constitution joined the new Grand Lodge.

Eighteen Grand Lodges of Canada and the United States of America were represented, including eight Grand Masters. Your Grand Lodge was represented by M:W: Past Grand Master W. H. Balser Jr., also M:W: Past Grand Master C. N. Hollett and R:W: Bro. J. H. Pike P.D.G.M.

The United Grand Lodge of England recognized the new Grand Lodge at its Quarterly Communication on September 10, 1997, in advance of and conditional on its consecration on November 1, 1997. This new Grand Lodge is regular and meets all the standards of Recognition.

Therefore, it is recommended that the Grand Lodge of New Brunswick recognize the Grand Lodge of Newfoundland and Labrador and exchange representatives.

Most of the incoming correspondence dealing with Fraternal Relations is in the language of the country where the particular Grand Lodge is located. The cost of engaging professional translation services should be explored and a reasonable funding recommended through the Board of General Purposes.

REPORT OF JURISPRUDENCE COMMITTEE

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK, F. & A.M.

The committee was given several tasks for interpretation, clarification and/or recommendations.

The first task given to the Jurisprudence Committee was to review all Past Grand Master's Directives. We recommend several Directives be placed in the Constitution and notices of motion have been filed to cover these additions. The directives which are not included in the Constitution will expire as per Page 44, section 12, of the Constitution.

We also reviewed the Grand Lodge Office, including the positions of the Grand Secretary and the Deputy Grand Secretary. We submit the following recommendations:

1. The present updating of management, administration and technology continue in the Grand Lodge Office.
2. The Grand Secretary will be responsible for the Management and Administration of the Grand Lodge Office. The day-to-day operations of the office will be under the supervision of an Executive Assistant, reporting directly to the Grand Secretary.
3. The office of Deputy Grand Secretary will be omitted, with the provision should the need arise the Grand Master may appoint a Deputy Grand Secretary. We have filed notices of motion to cover the appropriate sections of the constitution.
4. A private office will be made available for The Grand Master.
5. The Grand Lodge main offices are to be reorganized to achieve maximum efficiency of available space.

We held a meeting with the members of the N.B. Soaring Association. The Association expressed an interest to turn over approximately \$35,000.00 in assets to be used as a Bursary Revenue. Negotiations are continuing toward the successful transfer of these assets to Grand Lodge.

A notice of motion to change the constitution regarding the use of any Masonic emblem or device, for personal or commercial gain, has been filed. We also made a notice of motion providing for a memorial. The Grand Secretary will issue the memorial, and all Lodges in the Jurisdiction will drape the Charter, following the death of a Grand Master or Past Grand Master.

We reviewed the Grand Lodge regulations regarding the use of the Internet. It is suggested a letter be sent to all Lodges in the Jurisdiction, indicating, the Masonic use of the Internet, is governed by the Constitutions and General Regulations of the Grand Lodge of New Brunswick. All Brethren are requested to review Page 61 - sec. 63, Page 63 - sec. 3 and Page 64 - sec. 5 of the Constitution. All Internet inquiries regarding Masonic activity in this jurisdiction shall be directed to the Grand Secretary.

The final duty given to the Jurisprudence Committee was to review the proposal from the Constitution Review Committee dealing with Masonic Offenses and Trials. We recommend a new section be added to the Constitution to include Masonic Offenses and Trials. This new section uses the applicable sections of our present Constitution. The power of suspending or excluding a member for unmasonic conduct remains within the jurisdiction of the individual Lodge. (Page 57 - sec. 31). Our present Constitution provides adequate coverage of Masonic offenses. They require no deletions or additions in this area. The appropriate sections of the Constitution should be used as a reference when considering the laying of a charge. Under this proposal considerable responsibility is placed on the Master of the Lodge. The office of Master is unique to our Fraternity. It is his responsibility to see those charges under Masonic Offenses are justified and a Masonic Trial is conducted as per our Constitutions.

We recommend the adoption of the proposal by the Constitution Review Committee.

The interest, dedication and enthusiasm of the members of the committee is very much appreciated.

REPORT OF DEMOLAY

TO: THE MOST WORSHIPFUL THE GRAND MASTER
AND MEMBERS OF GRAND LODGE

As your Representative to The Order of DeMolay for Boys, it is my pleasure to inform you that DeMolay is alive and well in New Brunswick. A few months ago I might not have been able to make that statement, but thanks to the hard work of the Executive Officer, Dad Wayne Bannister, and others, six new Advisors have been recruited to assist with the operation of DeMolay. The boys have also been able to recruit six new members to help off-set the loss of our senior boys who have graduated and gone on to further their education.

The past year has been one of great change for DeMolay as many have moved on to other pastures. It becomes a constant challenge to replace those who have given so freely of their time to help DeMolay. Growth comes slowly to DeMolay.

Various methods have been tried to increase DeMolay membership and Masonic involvement as Advisors, but to date the progress has been slow. Little has been done, outside of the Moncton area, towards forming new chapters of DeMolay clubs. Maybe the time has come for all of us to work towards helping our youth groups, rather than leaving it up to a select few.

The leaders of Grand Lodge are busy doing Grand Lodge stuff, the Masters of Lodge are busy doing Lodge stuff, everyone is busy doing his own stuff.

There is a group, with the ability to help DeMolay, who have the proven skills and necessary contacts. They are the Senior Wardens. If the Wardens in each district would, as a group, actively promote DeMolay and recruit Advisors, I believe that this time next year we would have six more DeMolay Chapters operating in New Brunswick.

The chance to make a difference is what I offer each of the Wardens, today. No one can do it alone, but as a group within your district, you can make a difference. The Executive Officer and myself will see that you get the help you need, but you must take the first step and make the commitment.

This Grand Lodge's continuing commitment to its youth groups has always been a source of great pride. We are one of a select few Grand Lodges which recognizes its youth groups in its Constitutions. I hope we continue to maintain this high level of commitment.

Too soon, will the youth of today become the leaders of tomorrow, and when they do I hope that they will have the same high opinion of Freemasonry as we do today.

Respectfully submitted,

R:W:B: Maurice Linkletter

REPORT OF THE BENEVOLENCE COMMITTEE 1997

TO: THE GRAND LODGE OF NEW BRUNSWICK F. & A.M.

During the year 1997, four applications for Benevolence were received and dealt with. We are pleased to report all requests were approved and assistance granted.

The lack of sufficient pertinent information on most applications is causing delays in the processing of possible assistance. Your committee requests as much detail as possible be submitted in future requests.

REPORT OF THE BURSARY COMMITTEE

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

Your committee, appointed by the Grand Master Osborne L. Nason to award Bursaries for 1997-98 met at the Masonic Hall, Moncton, N.B., on August 6th, 1997.

All applications received were reviewed and after due consideration of each application, agreement was reached on nine Bursaries of One Thousand Dollars and two of Five Hundred Dollars and they are as follows:

Andrew Henry Balser	Heidi Lucy Wood
Christopher D. Murray	Steven C. Dougherty
Krista Allison Fox	Christina Dawn Hicks
Holly Crawford	W. Jason T. Holmden
Angela D. Taylor	John Peter Constable
Shane Leslie Carroll	

High praise was given to Right Worshipful Brother Ralph Andrews for the packages sent to each member of the committee to review two weeks before the meeting.

However, it was felt the Secretaries of the Lodges were not viewing the application before signing it. Some forms were incomplete in that the relation of applicant to Masonic member was missing, and family income was incomplete. Please keep in mind Bursaries are based on income.

Some of the Secretaries sent accompanying letters with the application and this gives better explanation of the person applying.

We congratulate the winners of last year's Bursaries and application forms for 1998 are available from your Lodge Secretary and should be returned to the Grand Lodge Secretary by July 10th, 1998.

We again point out that these forms should be reviewed and signed by the Master and Secretary of the Lodge.

The Committee would like to thank the Grand Master for appointing us. It has been a pleasure to serve on such a fine committee.

**REPORT OF DISTRICT DEPUTY GRAND MASTER
DISTRICT No. 1**

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

It is with great pleasure that I submit to you my report as District Deputy Grand Master of District No. 1. I would like to express my appreciation for being given the opportunity to serve in this capacity and to thank all the brethren for the warm reception I received at their lodges.

I have visited all lodges during my first year in office and most lodges were visited several times. The District No. 1 degree team was very busy this year. The first visit was to Carleton Union Lodge No. 8 in June for their St. John The Baptist celebration and to confer the Master Mason degree on one candidate. The second was to Union Lodge of Portland No. 10 and the third visit was to St. John's Lodge No. 2, the Master Mason degree being conferred by the team in full costume.

The lodges in District No. 1 appear to be in good financial condition, although one lodge requires extra fundraising on a continuous basis.

I had the pleasure of being the installing officer for two installations and participated in all the rest. There is still one installation left to do and this lodge is having trouble getting enough officers to fill the key positions. I am hopeful that by June this problem will be solved.

In August, the second annual District No. 1 golf tournament was held at the Hampton Golf Club where \$1,200 was raised for Camp Goodtime. In December, I had the pleasure of attending the first annual Christmas Skate held at Harbour Station. This party was for Masons and their families and was well attended. My congratulations to all involved in organizing this event.

In conclusion, I would like to thank all the brethren for making my first year a success and I look forward to the upcoming year.

**REPORT OF DISTRICT DEPUTY GRAND MASTER
DISTRICT No. 2**

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

It is with a great deal of pleasure that I submit my first report as District Deputy Grand Master of District No. 2. I would like to express my sincere appreciation and gratitude to the lodges in Districts No. 2 and No. 7, especially the lodges in District No. 2 for their fraternalism, cooperation and all courtesies extended to me as District Deputy Grand Master.

I have made visits to all of the lodges in Districts No. 2 and No. 7 and have made all my official visits in District No. 2. I have had the pleasure of presenting several long service pins and certificates and have had the honour of selecting nominees for the Beardsley and Quinn Medallions. Furthermore, I have witnessed the exemplification of excellent degree work in several lodges, as well as good floor work. As part of the Education Committee, chaired by Right Worshipful Brother Henderson, I am working to develop educational material that will fill in the gaps when there is no degree work. I have attended all of the Board of General Purposes meetings and other special functions in the District, such as the opening day festivities at Camp Good Time.

In conclusion, I would again like to express my thanks to all the Brethren for their support and hospitality, and especially The Most Worshipful The Grand Master for the opportunity and privilege to serve you as District Deputy Grand Master. I hope I have made a positive contribution to Masonry throughout my travels and I will look forward to my second year of office with equal enthusiasm.

REPORT OF THE DISTRICT DEPUTY GRAND MASTER DISTRICT No. 3

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

It is with mixed feelings that I submit this my second and final report as District Deputy Grand Master for District No. 3. During my term, I had the pleasure of serving under two fine Grand Masters, and I wish to thank them for giving me the opportunity to serve as their representative.

During the past year, I made official visits to all Lodges in District No. 3, and a number of unofficial visits. Lodge attendance varies from fair to poor. Some Lodges are having financial problems, however, efforts are being made to improve this situation with reasonable success, and the participants are to be congratulated for their efforts.

I was able to witness degree work in four of the five Lodges. One Lodge has had very little degree work over the past few years, and consequently, much hard work is required to make improvements in this area. Work in the other Lodges was reasonably well done.

I was pleased to be able to attend on the Grand Master on his official visits to District No. 3 at Northumberland Lodge No. 17, and Acacia Lodge No. 49, and to attend on the Deputy Grand Master on his official visit to District No. 3, and Lodge St. John No. 27. I was able to attend most of the Board of General Purposes meetings, and Camp Good Time on sponsor's day.

As I visited the various Lodges within the District, the sum of \$381.30 was contributed in support of Camp Goodtime. This was up until April 13, 1998.

The Mentor Program has been implemented in three of our Lodges, and since two of our Lodges have had very few candidates, they will be using this Program when circumstances permit.

Our District Meeting was held at Lodge St. John No. 27 on April 13, 1998, and attendance was quite good. The Masters of all Lodges except one were in attendance, and gave a report on their Lodge's activities. We were honoured to have the Deputy Grand Master in attendance, who contributed greatly in the discussions.

REPORT OF THE DISTRICT DEPUTY GRAND MASTER DISTRICT No. 4

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

It is with sorrow and regret that I submit this report on behalf of R:W:B: Kurtis Brown, who passed away suddenly on December 27, 1997, during his first term of office. The large number of Masons who attended his Masonic Funeral Service on December 29 attests to his popularity and the support he enjoyed while in office. May he rest in peace.

Since accepting the Most Worshipful The Grand Master's offer of this position on January 5, 1998, I have paid one official visit to each of the six lodges in the District and was warmly received in them all. In addition, I have paid eleven courtesy or unofficial visits, including a visit to Limestone Lodge No. 214, which is under the jurisdiction of the Grand Lodge of Maine.

On my official visit to Woodstock Lodge on March 5, 1998, I was presented with a hand crafted gavel and carrying case made of bird's eye maple, which is to stay with the presiding District Deputy as a memorial to R:W:B: Kurtis Brown. The gavel will be used to do degree work any time the District Deputy witnesses it. In other words, if I visit Carleton Lodge and a second degree is put on that night, I will request that the presiding master use my gavel for the degree work. The candidates name, degree, date, and Lodge will be recorded in a small book kept with the gavel in its case.

Four of six lodges in District No. 4 have been active in degree work in the first four months of the year and the work that I was able to witness during that period was very well done.

International Night this year was held in Ashland, Maine, with Pioneer Lodge No. 72 (Grand Lodge of Maine) and Benjamin Lodge No. 31 (Grand Lodge of New Brunswick) hosting the event. R:W:B: Kurtis Brown represented the Grand Lodge of New Brunswick and was one of the first in line (a line of nearly 50 Masons) to take the Woodchoppers Degree. Many of us now proudly carry our Woodchoppers dues card. The steak dinner and great night of entertainment was enjoyed by over 80 Masons of all ages.

Camp Goodtime is still the favourite charity of the Lodges in District No. 4 and support for the camp has been strong. All Lodges had special events and projects for this worthy cause and all Lodges contributed generously to the Masonic Events Calendar sponsored by Colebrooke Lodge. This project alone netted \$2,400 to Camp Goodtime. This proves again that our whole is greater than the sum of our parts.

The Most Worshipful The Grand Master Osborne L. Nason paid his official visit to District No. 4 on October 1, 1997, and was received by R:W:B: Kurtis Brown. Last but not least I wish to thank all the Past District Deputies of District No. 4 who have stepped forward and offered their advice, support and good wishes. They are needed and appreciated.

Respectfully submitted,

REPORT OF DISTRICT DEPUTY GRAND MASTER DISTRICT No. 5

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

It is with pleasure that I submit my first report as District Deputy Grand Master of District No. 5, and express my sincere appreciation to the Brethren of District No. 5 for their support over the past year.

I have made official visits to all the Lodges in my district this year as well as many unofficial visits to most of these Lodges and have found the attendance to be good in most of them.

All the Lodges except two have had degree work during the year, with some having seven candidates. I have helped with degree work as well as helping with installations.

The Most Worshipful The Grand Master Osborne L. Nason held a District meeting for District No. 5 in Ashlar Lodge No. 36 McAdam on November 20th, which was well attended by most of the Lodges in this District.

There have been several presentations of long service awards and appreciation awards throughout the District, including 50 year pins and certificates. Many of the Lodges have held events to recognize the widows of Masons.

I was able to attend the opening of Camp Goodtime this year, and found it very touching and heart warming to see the expression on the faces of those children as they were reunited with their friends and camp councilors again. At the same time, it was heartbreaking as there were some from the year before that did not live to attend this camp. Camp Goodtime is a very worthwhile cause, worthy of our support.

International Night this year was hosted by St. George Lodge No. 12 on April 4th. This is an annual gathering of Masons of District No. 5 of New Brunswick and District No. 2 of Maine. At this meeting, work of DeMolay members of New Brunswick and Maine was very well presented to the pleasure of everyone in attendance.

I have attended all the Board of General Purposes meetings and have found them to be informative and interesting. I would especially like to thank the Grand Secretary, R:W:B: Ralph Andrews, for his help over the past year.

It has been an experience for me to serve in this position for the past year, and I have enjoyed it very much as I was well received at each Lodge attended.

I would like at this time to thank the Most Worshipful The Grand Master Osborne L. Nason for offering me the opportunity to serve as District Deputy Grand Master for District No. 5. I look forward with great anticipation to the balance of my term and will continue to serve to the best of my ability.

**REPORT OF DISTRICT DEPUTY GRAND MASTER
DISTRICT No. 6**

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

It is with pleasure that I submit my first annual report as District Deputy Grand Master for District No. 6.

I have found the appointment a very enjoyable experience. I thank The Most Worshipful The Grand Master and all Grand Lodge Officers for their help and leadership. Special thanks to R:W:B: Merrill Henderson for an excellent education program.

To my Education Officer, W:B: Charles Bruce, I say thank you for a job well done.

I have had excellent support from all lodges in our district and things are running very well, with a great deal of priority on Masonic Education.

To the Brethren who drove long miles in very poor weather to attend on my official visits, I thank you all very much.

I had the pleasure of presenting a 50-Year Pin to W:B: Ed Hamilton of Hiram Lodge. I also took much pleasure and pride on presenting my son, W:B: Gary Davis, with a Lewis Jewel.

We had a Friend to Friend Night, hosted by Hiram Lodge, which proved to be very rewarding. Landmark Lodge has one scheduled for the very near future.

So, as you can see, we have been busy in District No. 6 and enjoying every minute of it.

**REPORT OF DISTRICT DEPUTY GRAND MASTER
DISTRICT No. 7**

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

It is with pleasure that I present this report as District Deputy Grand Master for District No. 7. Our district is a mixture of country and city lodges, giving each lodge a distinct 'flavour' and 'style'. This diversity makes each lodge 'well worth a visit' by every brother able to visit our area.

During the past year, I had the privilege of visiting all the lodges in District No. 7 and was made to feel welcome at each one of them. I wish to thank the Brethren, and in particular the Masters of these lodges, for their hospitality and friendship.

We were off to a running start with a visit from the Grand Master to Acacia No. 49 in June of 1997. I was also pleased to present the Quinn Medallion that month to W:B: Avar MacPherson of Steven No. 37, who had been unable to attend Grand Lodge in May.

The fall months brought an official visit to District No. 7 by the Grand Master and Grand Lodge. Each lodge was represented and reported on their lodge activities during the year. During the months of September, October and November, I was pleased and honored by a good attendance at each of my official visits to the lodges of District No. 7.

At the November meeting of Acacia Lodge, I presented a Master's Workshop for the Wardens of District No. 7. A Master's Manual, consisting of the Officer's Manual, the booklet Approaching the East, a number of forms, guidelines and resource lists, was put together for this meeting and handed out. The response was so positive that the Education Committee has decided to expand the scope and presentation for all districts.

December saw a renewal of hope for Steven Lodge No. 37 of Petitcodiac. A large turnout of support for Wor. Master Tait Taylor and his Officers encouraged the lodge to defer for one year, a motion to surrender their charter to Grand Lodge. The following months have brought three new petitions for membership, the first such in several years.

Howard No. 15's renovations on their lodge building are almost finished and it is worth a visit to see their new lodge room. I have been unable to attend Howard Lodge as often as I would like, due to other prior obligations on their meeting night.

I would like to commend the efforts of all the Masters and their Officers in this district. The ritual work is above average and attention to detail and protocol by each Master has been gratifying. It has been a pleasure to serve and assist them this year. I am pleased to see four of the Masters of 1997 continuing into 1998.

In closing, I would like to thank the Brethren for their warm hospitality and most especially the Past District Deputies of District No. 7 for their guidance and support.

Respectfully submitted,

GRAND MASTER'S ADDRESS

TO: THE OFFICERS OF THE GRAND LODGE OF THE
ANCIENT AND HONORABLE FRATERNITY OF FREE
AND ACCEPTED MASONS OF NEW BRUNSWICK

On this occasion of the 131st Annual Communication of this Grand Lodge, I extend to all a warm and cordial welcome. We gather here because of our sincere attachment to the principles of our fraternity, our concern for its welfare and progress in its future.

To those who are attending for the first time, I bid you welcome and trust you will take an active interest in the business brought before this Grand Lodge.

To all brethren, this is your Grand Lodge. We encourage your participation in all matters brought before this august body, so that you may return to your lodges charged with new enthusiasm for our great fraternity.

I wish to express, at the beginning of this report, my sincere appreciation for the great honor conferred upon me by this Grand Lodge last May by electing me to this high office. I hope that I have fulfilled that great trust to the satisfaction of members of this Grand Lodge. The dignity of this Grand Lodge has always been foremost in my thinking and decisions.

To our distinguished guests from our sister Grand Lodges in Canada and the United States, let me extend to you a hearty welcome. The reception given to members of this Grand Lodge when visiting your Grand Jurisdiction is always in true Masonic tradition. We trust your stay with us will be a pleasant and rewarding experience and you will enjoy the sharing of fellowship with us.

I wish also, to extend a warm welcome to the representatives of the Concordant Bodies. I have attended many of your functions during the past year and I wish to thank you for the many courtesies extended to me on these occasions. As members of the Masonic family of New Brunswick, you each bring to Masonry a unique element. We realize that by working together we can only enhance our great fraternity.

Necrology

Brethren, again this past year several of our brethren have been called to the Celestial Lodge above. We are deeply saddened by the sudden and unexpected death of R:W: Kurtis Brown, D.D.G.M. for District No. 4. We mourn for all our departed brethren and extend to the bereaved family and friends our sincere sympathy. Brother Secretary, you will read the names of our departed brethren.

We will now observe a moment of silence in their memory, following which our Grand Chaplain will offer a prayer.

Committees

I wish to extend a special thanks to the chairmen and members of the several committees that I have appointed. It is through the work of these committees that changes and improvements to this Grand Lodge are recommended. Through the work of these committees, many recommendations are being proposed for changes in administration, accounting, Masonic education programs and Masonic renewal. As well, through constitutional review, many changes are proposed to our constitution. It is indeed a pleasure for me to have so many dedicated brethren willing to give of their time and expertise to serve on these very important committees.

Conferences

On March 20-21, the Deputy Grand Master and myself attended the All Canada Conference held in Winnipeg. Many topics relevant to Canadian Grand Jurisdiction were presented and discussed. Some of these topics will be presented to our Board of General Purposes for further discussion and action. Several informal discussions were also held with Sister Jurisdictions. I found this conference very worthwhile and the format and content greatly improved over the one I attended several years ago.

On the 26th of November, the Deputy Grand Master and myself attended the Aldridge Conference held in Charlottetown. Many topics relevant to Eastern Jurisdiction were discussed. I later decided that the costs incurred by this conference, especially with the inclusion of the Grand Lodge of Newfoundland and Labrador, could not be justified. It has since been decided to hold an Eastern Conference in Winnipeg prior to the All Canada Conference on a trial basis.

Acknowledgments

I wish to extend my sincere thanks to the officers and members of this Grand Lodge for their support and their kindness shown to me during the past year. A special thanks to R:W:B: J. Ralph Andrews, our Grand Secretary, for his assistance to me and his untiring effort in the day to day operation of the Grand Lodge office.

Finally, my Brothers, it has been an honor to serve you during the past year. I believe much has been accomplished during the last year, but much remains to be done, I thank you for the confidence you have placed in me and I will endeavour to repay that great trust in the coming year.

Fraternally,

Osborne L. Nason

ANNUAL REPORT NEW BRUNSWICK MASONIC CHARITIES AND HOUSING COMPANY LTD.

I am pleased to submit the following report to highlight the activities of our Company during the past year.

At the June meeting held in Fredericton, a new Executive was elected, i.e. President: W:B: Brian E. Francis; Secretary: W:B: D. W. (Bud) Gillrie; and Treasurer: W:B: Stewart A. Brenton. A full slate of Directors was appointed to serve for the ensuing year.

A special thank-you and best wishes are extended to R:W:B: Thomas L. Winter and R:W:B: Fred W. Pollitt on their recent retirement. They have provided exemplary service to the fraternity during their terms as President and Secretary respectively. It is indeed an honor and a challenge to follow in the footsteps of such dedicated Masons.

Camp Goodtime 1997 was held June 29 to July 6, 1997, with a record attendance of 80 children registered for the week. Masons, families and friends enjoyed bright sunny weather to celebrate Sponsor Day, held Sunday, June 29th. The Most Worshipful The Grand Master Osborne L. Nason brought greetings on behalf of all the Masons of New Brunswick. The children were each presented with a t-shirt and cap as a souvenir. After the opening ceremonies, cake and refreshments were served.

Camp Rubella is operated under the guidance of the N.B. Deaf Blind Rubella Association. The principal activities of this association are the provision of intervention, recreation, education and related services to persons afflicted with deafness and blindness. We sponsored seven children and their intervenors to attend the one-week camp held in early September.

I am very pleased to report that the Masons of New Brunswick in 1997 have collectively contributed \$23,000 to sponsor children to attend these camps and enjoy the benefits of fun and relaxation in a well-supervised setting. The children's smiling faces are the best proof that your efforts are worthwhile and very much appreciated.

Quinn House in St. Andrews operates at full capacity. The Management Committee, under the capable chairmanship of R:W: Frank Langley, operates the 6-unit seniors housing in a very efficient manner. During the year, we were saddened on the passing of R:W:B:

Peter Williamson, who served on this committee for many years. Also, we welcome the addition of R:W:B: Robert Johnson, C.A., as a new member to this committee.

I would take this opportunity to offer my sincere thanks to the members of the Board of Directors for their enthusiasm and support throughout the year.

On behalf of the Board of Directors of the N.B. Masonic Charities and Housing Company Ltd., I extend a heartfelt thank-you to the Masons in the Jurisdiction for your continued generosity which makes these charitable projects an unqualified success. Thank-you and keep up the wonderful work.

Respectfully submitted,

Brian E. Francis, P.M.
President

PRESENTATION BY CHAIRMAN OF CONSTITUTIONAL REVIEW

The chairman of Constitutional Review, R:W:B: John C. Dunham, spoke on the work of the committee in preparing their report which was mailed to the 1,400 members of Grand Lodge for their consideration.

He noted the reasons why such a document was necessary, mainly to afford protection to both the Lodge and the Defendant.

This document will be presented to the Grand Lodge in 1999 for approval. During the coming year, lodges will be asked for their input.

• • • •

I am John Dunham, Senior Grand Warden of the N.B. Grand Lodge, and last May was appointed to chair the Constitution Review Committee by the Grand Master, Osborne L. Nason.

First of all, let me give you some background of my personal life. I was a peace officer with the Saint John Police Force for 34 years. I retired in 1986 as Deputy Chief of Administration, having come up through the ranks, and from 1969 to 1974 I served as Court Sergeant under the late Chief Judge Harold S. Prince, and also under Chief Judge Andrew Harrigan. These were years I truly enjoyed, but moved on to Divisional Inspector, Superintendent of Traffic, then on to Deputy Chief.

This committee had been in existence for over a year when I became chairman. The Constitution Review Committee was made up of R:W:B: Ralph Andrews, R:W:B: Robert (Bob) Johnson, W:B: Ron Hodgins, R:W:B: Ches Piercey and myself as chair, and they had all served the previous year.

In March, a copy of Masonic Offences and Trials was submitted to you, the members of Grand Lodge, for your perusal. Please keep in mind that this draft is not the first one by any means and is not one that was drawn up in a few weeks. It is now in its third year.

It is not something that has been accomplished by one person or even one committee. In its early stages, Brother Bert Ljungstrom, Q.C., was involved in its review and helped in wording the charges in the first part of the offences. The Jurisprudence Committee was greatly involved in the final preparation and it has also been placed before the Board of General Purposes. So this gives you some idea of its preparation, as it was presented to you in March.

This is something that is needed in our Constitution, not only for the protection of the Grand Lodge and Private Lodges, but for protecting all brothers. I have been personally involved in two cases of theft in the concordant bodies and in reviewing The Quarterly, published by the Grand Lodge of England, eleven members were expelled from the lodge for charges of indecent assault, common assault, theft, conspiracy to defraud, blackmail, misappropriation of funds and failing to declare a previous application for initiation when making a further application to another lodge.

These offences all occurred in three months in the Grand Lodge of England and I realize they are much larger than us, but these are all offences that can happen here.

It is my intention to place the Masonic Offences and Trials before you today to use as a guideline and next year to present it for an addition to the Constitution.

This will give all the Brethren a chance to review it properly. To think that it will not be amended or not needed, you would be living in a dream world.

Keep in mind that to speak on the question will be an answer given as my opinion and not the opinion of the committee, and that you have a year to present any amendments that you feel are needed to improve this article.

I move that the Masonic Offences and Trials be used as a guideline for the lodges and brought before the next sitting of the Grand Lodge of New Brunswick for an addition to the Constitution.

CONSTITUTIONS AND GENERAL REGULATIONS OF THE GRAND LODGE

MASONIC OFFENSES AND TRIALS

There are two classes of Masonic Offenses. First those which transgress civil and criminal law.

Secondly, offenses against the moral law and Masonry which include and are not limited to violations of the Landmarks, Masonic Obligations and the Constitutions and General Regulations of the Grand Lodge of Free and Accepted Masons of New Brunswick.

These offenses may all come under the charge of conduct unbecoming a Mason.

METHODS OF TRIAL

For any Masonic Offence, a Mason shall be tried firstly, by his own Lodge or by Grand Lodge if his own Lodge refers the case to Grand Lodge.

When a charge has been laid, the Master shall investigate the charge and determine if there are sufficient grounds for a charge. If sufficient grounds for a charge are found, the Master shall assemble the Lodge for the purpose of conducting a Masonic Trial.

The Master shall appoint a Secretary, who is not connected to the trial in any way, to record the proceedings.

The Master shall conduct the prosecution of the charge.

It shall be the duty of the Master to see that the accused Brother has reasonable opportunity to prepare and present his defense and that the matter is brought to trial and conducted in accordance with Masonic principles as expeditiously as reasonable.

LAYING THE CHARGE

A charge of a Masonic offence shall be made by a Mason only. The charge shall be in writing and signed by the accuser, who need not necessarily be a member of the Lodge of which the accused is a member.

The charge shall be delivered by the accuser to the Secretary of the Lodge.

The charge shall specify with reasonable certainty the particulars of the offence or offenses alleged, including the time and place of their commission.

SERVICE OF PAPERS

When service of any papers on any brother or papers in connection with a Masonic Trial or any appeal connected therewith is required by the rules, such service shall be effected in the following manner:

If the residence of the brother is known and he resides within the jurisdiction of the Lodge of which he is a member, he shall be served personally if possible.

If his residence is known and he resides out of the jurisdiction of the Lodge of which he is a member, he shall be served either personally or by registered mail addressed to him at his last known post office address.

When the party to be served cannot be served personally or where service is authorized by registered mail, service shall be deemed to have been effected seven days after mailing, by registered mail, to his last known address.

TRIAL

In the absence of a good reason to the contrary, the trial shall be held in the vicinity of the Lodge of which the accused is a member.

The Master of the Lodge shall appoint the time and place of trial, and shall cause the accused to be served with a copy of the charge and the particulars thereof, and notice stating the time and place appointed for the trial thereof. The time shall be so fixed as to give the accused reasonable time to prepare his defence.

The trial shall proceed on the date set by the Master of the Lodge and may be adjourned from time to time as necessary. Notice of any postponement or adjournment shall be given to all parties concerned.

The accused may choose counsel for his assistance but none but Master Masons shall appear as such.

The charge shall not be amended before or during the trial unless the accused is given notice of the amendment and given reasonable opportunity to meet the amended charge.

Only Master Masons of the trial lodge shall be entitled to attend the trial as spectators.

If the accused pleads guilty to the charge, such plea shall be accepted as evidence proving the offence and shall render the taking of further proof unnecessary.

Should the accused not attend at the time and place of trial after notice has been served on him, the Master shall proceed in his absence and conduct proceedings to a final conclusion.

The Master and the accused in person, or his representative, shall be entitled to examine and cross-examine the witnesses for the prosecution and the defence.

At the conclusion of the evidence the Master and the accused in person, or his representative, may address any relevant argument as to guilt or innocence to the Lodge.

WHEN THE EVIDENCE AND THE ARGUMENTS ARE CONCLUDED:

The accused shall retire and the doors shall be closed for deliberation.

The Brethren of the Lodge shall then decide the guilt or innocence of the accused by written ballot.

The Lodge shall then decide the punishment of the accused. The accused shall be re-admitted and the Master shall announce verdict and punishment.

A majority decision of the Lodge shall decide.

WITNESSES

The evidence of any Mason shall be received. They shall be bound by all their Masonic Obligations.

It shall be the duty of the Accuser and the Accused to secure the attendance of their respective witnesses.

EVIDENCE

The Master shall decide all questions as to the relevancy of the evidence and the regularity of the proceedings.

The Secretary appointed to assist the Master shall take down in writing a summary of the evidence submitted and note all objections made. All copies of the summary of the evidence, objection, rulings and decisions of the trial shall be forwarded by the Secretary to the Grand Secretary who shall thereupon file same.

JUDGEMENT

In the absence of the accused he shall be served with notification of the verdict and sentence by the Master in person or by registered mail.

The sentences that the Lodge may impose are:

Reprimand

Suspension for a definite time

Indefinite suspension.

Suspension for any offence deprives the offender of all Masonic rights and during its continuance of privileges.

BOARD OF APPEAL

Within thirty days after the conclusion of the trial a Mason convicted and sentenced by the Brethren of his Lodge may appeal his conviction or his sentence or both by filing a Notice of Appeal with the Grand Lodge.

Within thirty days after the conclusion of the trial, the accuser may appeal the sentence by filing a Notice of Appeal with the Grand Lodge.

The Grand Master may extend the time for filing an appeal under this Section for such periods as he, in his sole discretion may deem just, not to exceed ninety days.

The Grand Master, upon being advised that an appeal has been filed, shall refer the Appeal to the Board of General Purposes, or appoint a committee to investigate the same.

REGULATIONS

The appeal shall be on the evidence as submitted at the Masonic trial. No new evidence shall be heard at the appeal except in unusual circumstances and then only by leave of the Board of Appeal.

When a case is remanded for a new trial no amendment shall be made to the original charges unless the accused shall have due and timely notice thereof.

GENERAL

A Masonic trial resulting in conviction or acquittal shall be a bar to any other Masonic prosecution for the same offence.

Where a Mason has been expelled or has been suspended, either for a definite time or indefinitely, he shall cease to hold any office in his Lodge or in Grand Lodge, and on restoration shall not regain that office unless again elected or appointed to it.

RESTORATION AFTER SUSPENSION

Definite suspension shall expire at the end of the period ordered, and any member so suspended shall be entitled to resume membership and all rights and privileges thereof at the expiration of the time defined in his sentence, without vote or other action on the part of the Lodge of which the accused is a member.

A Mason seeking restoration after having been suspended indefinitely shall petition the Lodge from which he was suspended for his restoration, but no such petition shall be received until after one year from the time of the suspension or the time when a petition for restoration was last presented.

The petition shall be received at a regular meeting of the Lodge and shall be held over until the next regular meeting thereafter before final action thereon.

Notice of the application for restoration shall be inserted in the Notice preceeding the regular meeting at which the application will be voted upon.

The vote on the application for restoration shall be by secret ballot box.

In all cases of restoration by a Lodge, the brother shall be restored to all his Masonic rights and privileges, including membership in his Lodge.

If a Lodge has ceased to exist, the petition for restoration shall be made direct to Grand Lodge. In all cases of restoration by Grand Lodge, the restored brother shall have the status of a non-affiliated brother.

The Grand Secretary shall provide the Board of General Purposes or the Committee appointed by the Grand Master with the summary of the evidence, together with the objections, rulings and decisions of the Lodge Masonic Trial. Upon request by the accused and/or his representative, a copy of same shall be given to him or them.

The Grand Secretary shall notify all necessary parties of the date and place of the appeal hearing, giving the party appealing a reasonable opportunity to prepare his appeal or his answer thereto. The Master of the Lodge and the accused with his representative, if any, may attend to make such representations as they deem proper.

A notice and copy of the appeal must also be sent by the appellant to the party against whose decision the appeal is made.

When all parties shall have been summoned to attend thereon, and the case has been investigated, the Board of General Purposes or the appointed Committee shall report to the Grand Lodge, which shall have full power to deal therewith as a majority shall determine.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

Your Committee on Masonic Education held a number of meetings during the past year. Although we were slow getting started, we did have several informal meetings prior to meeting as a committee. We wanted to look at what direction we should take and what type of educational material we should develop for the lodges throughout New Brunswick. At our first meeting it was suggested, "why re-invent the wheel", there was a lot of material around that has not been used in some time that could be updated and enhanced. We sifted through several sources of material and came up with the following:

(1) A wallet card with **What Masonry is and What Masonry is not.**

(2) **Investigating a Petitioner for Masonry and Recommending a Petitioner.** This information has been around for sometime but apparently was not being used. A supply of this material was sent to each Lodge Secretary along with the pamphlet, "Freemasonry a Way of Life". We suggested to the Secretaries that when someone is recommending a petitioner or investigating a petitioner they should be given a copy of this information.

(3) **Five quizzes.** Entered Apprentice Degree. Fellowcraft Degree. Master Mason Degree. General Information and Balloting. The first four quizzes were produced by the Masonic Education Committee back in the early 1980's when R:W:B: Linkletter was chairman. The committee felt that if these quizzes were updated with explanations and references provided on the answer sheets, the quizzes would then become more user friendly and the District Education Officers would be more apt to use them. R:W:B: Swetnam took on the responsibilities for the updating of this material. We also revised the Balloting quiz, the question sheet is now only one page. This will cut down on the number of photocopies required when the quiz is presented to a lodge. A supply of this material was given to each District Deputy.

(4) We are currently updating and enhancing the booklet **Approaching The East.** We hope to have this done within the next two months.

(5) The Board of General Purposes has approved in principle a one-day or a part-day workshop on Leader Training. We have targeted the date of October 31, 1998, with the location to be chosen. R:W:B: Maurice Linkletter and R:W:B: Michael Swetnam have agreed to co-chair this event.

We wish to take this opportunity to express our gratitude to The Most Worshipful The Grand Master for the privilege of serving Grand Lodge and the Masons of New Brunswick for this past year.

Respectfully submitted,

Bro. Ed Drayson

REPORT ON MOSTLY MASONRY

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

As Chairman/Editor of "Mostly Masonry", I must apologize for the format changes and the quality of the photographic reproductions in past issues. I have been trying to find a format that will allow the most information in the least space in order to keep the cost of printing to a manageable level. The latest issue shows what I hope will be the continuing format and the improvement in the quality of photographic reproduction.

I wish to discuss some topics of relevance to the future of "Mostly Masonry."

The first topic concerns the amount of material that I receive from the Districts. The only two Districts that have good reportage are Nos. 1 and 6. District No. 1 receives good reportage because I live and am quite active in District No. 1; District No. 6 receives good reportage because W:B: 'Bud' Gillrie, Secretary/Treasurer of District No. 6 Council writes to me regularly following each of their meetings. I would appreciate receiving regular reports from the secretaries of all District Councils that would give me material to report in 'Mostly Masonry'. Not just on events that have happened, but on future plans as well.

The articles that appear in 'Mostly Masonry' should be of interest to brethren in the Grand Jurisdiction. This would include events of special interest that could give ideas to other lodges or districts for fund raisers, special recognition, 50-Year Pin and Certificate presentations, etc. For items of a more local interest, the District Deputy

Grand Masters can make mention of these on their visits or, as some lodges do, print a combination notice/newsletter to keep their brethren informed.

At present, the distribution process is haphazard at best. It is not a timely process. From the time the printing is completed to the time it is received by the lodge Secretaries can be quite a lengthy process, and in some cases delivery may not be effected at all. A better method must be found, perhaps one that doesn't place such a burden on the District Deputy Grand Masters and the lodge Secretaries.

'Mostly Masonry' should not be viewed as just a newsletter. It is, without doubt, the most important method of communications we have at present in this Grand Jurisdiction. We must make a commitment to it and it must continually improve in content, timeliness, format and distribution. It should be more newspaper than newsletter.

Recommendations:

Distribution: That the Chairman/Editor of 'Mostly Masonry' be given responsibility for investigating the possibility of direct mailing and its associated costs and make recommendations to the Board of General Purposes.

Format: The latest issue of 'Mostly Masonry' shows that as more information becomes available, more space will be needed to accommodate the articles. That the Chairman/Editor of 'Mostly Masonry' be granted permission, when space is required, to increase the number of pages.

Sponsors: To lessen, and possibly eliminate, the costs associated with the printing and distribution of 'Mostly Masonry' the Chairman/Editor be granted permission to find sponsors within the fraternity and this Grand Jurisdiction willing to share the cost and be given mention in 'Mostly Masonry'.

Electronic Distribution: That the Chairman/Editor of 'Mostly Masonry' be granted permission to investigate the possibility of finding one member of the fraternity in each lodge of this Grand Jurisdiction who has the ability to receive electronic mail and having that individual designated as the person in his lodge to receive 'Mostly Masonry' by e-mail. Each lodge would then be able to print 'Mostly Masonry' and photocopy the number of copies they require for each membership.

Respectfully submitted,

W:B: Ron Hodgin, Chairman/Editor

REPORT OF THE FINANCE COMMITTEE

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

As chairman of the Grand Lodge Finance Committee, I am pleased to present my first annual report, succeeding our Grand Master, who was chairman for many years.

You have already received the report of the Grand Treasurer and I assure you that the financial position of Grand Lodge is very strong indeed.

We have investments of over \$850,000 at year end in our General and Benevolent accounts as well as some \$83,000 in cash. This large cash fund was the result of some high yield bonds being recalled by the issuers late in the year and these funds will be reinvested as quickly as possible. It is important, of course, that we keep a small cash reserve to meet our ongoing needs, but this is left with Wood Gundy in a banking arrangement which currently pays an attractive short term rate of 4.5%.

The majority of our investments are now managed by Wood Gundy and the results have been excellent. There is ongoing information presented to the Grand Treasurer and the Finance Committee and any changes contemplated are fully reviewed. At present our portfolio is invested at an average rate in excess of 8% and less than 15% is in Mutual Funds. Barring something unforeseen, there are no investments maturing in 1998. At some point we may feel it necessary to move more into the Mutual Fund area, but this seems unlikely at the moment.

We continue to see some growth in the amount of our investments and, at present, some 50% of our income is from this source. If our membership continues to drop, our investment revenue will be critical. We have investments in the Saint John Masonic Temple and private lodges totalling \$120,000, which is down by \$16,000 from a year ago. Most of this is at 6.5%.

We have budgeted to keep our expenses in line with the previous year and have recommended to the Board of General Purposes that we once again make grants of \$400 to each private Lodge. In addition, we have recommended that \$10,000 in bursaries be paid from our Fund of Benevolence.

REPORT OF THE GRAND HISTORIAN

TO: THE MOST WORSHIPFUL THE GRAND MASTER,
OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK F. & A.M.

It is my pleasure to again present my report on the activities of this Grand Lodge for the last year. This will be my ninth report to this Grand Lodge.

In 1997, the Masons of New Brunswick were again the sponsors of Camp Goodtime, a camp for children suffering from cancer. The camp is run by the Canadian Cancer Society and this year was again held at Camp Glenburn on the Belleisle. In 1997, sixty children were hosted at the camp for a week. In 1998, the camp is being moved to the Rotary Camp at Princess Park on Grand Lake. This new site will prove less challenging to the campers as it is on level ground. All Masons are invited to attend Founders Day at the camp, especially this year with a new site. This is a major charity that all Lodges and Masons can be proud of and continue to support as we have in the past.

In September, 1997, we were also again able to sponsor seven children to attend the camp of the New Brunswick Deaf/Blind Rubella Association.

A major activity this year has been the development of a Masonic Renewal program for the Lodges. This has been under the guidance of Right Worshipful Brother Rideout, Hartland Lodge No. 46. He and his committee have a manual with five major areas that can support renewal. Remember many of the Masons we lose are men who feel they have nothing to contribute or are never asked to contribute, thus they stay home. Perhaps a lesson can be learned from St. Martins Lodge No. 30 who put on a third degree with the degree team being made up of Masons who had reached or exceeded their seventy-fifth year. Nothing past about these former Masters.

Our youth continues to be a major part of what we want the public to see in us. Again this year we gave out \$10,000 in bursaries to students with Masonic affiliation. And the Lodges gave support to the boys in DeMolay and the girls in Rainbow. These two organizations need continued support if they are to survive. Do not think of these as training grounds for members, but as training grounds for good character and citizens that will later on be the type of people we wish to attract to our memberships.

District meetings with Official Visits of the Grand Master continue to be an excellent means for the Lodges and the Grand Lodge to share information and ideas. This has not in any way replaced the

visiting that the Grand Master does to individual lodges for special events of which there were many this year.

The Grand Lodge, through the Board of General Purposes, spent a lot of time this past year revising parts of the Constitution as a result of the Grand Lodge Communication of 1997. Many of these have been up for final debate at this session. On this topic, a major paper has been developed relating to Masonic Offences and Trials.

Finally, I would like to say that I enjoy getting Lodge bulletins and District news sheets that contain history of the local Lodges and sometimes broader history topics. Every area has history and by putting even small parts into print many can enjoy and appreciate our roots in masonry. One of these was a picture of the Bluenose showing the Masonic Emblem on the Fantail between the name Bluenose and Lunenburg. The picture was in the Centennial bulletin and contributed by Worshipful Brother Harrison. He says that a major part of the financing of the ship was by a group of Masons.

Fraternally submitted,

Very Worshipful Gordon Rattray
Grand Historian

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

TO: THE OFFICERS AND MEMBERS OF THE
GRAND LODGE OF NEW BRUNSWICK

Your committee appointed to review the address to this 131st Grand Lodge Communication, by Most Worshipful Grand Master Osborne L. Nason, is pleased to offer the following comments.

The Grand Lodge again has been most fortunate in its election of Grand Master Nason, who during the past 12 months, attended the seven district meetings arranged by the District Deputies. In addition, he made numerous Craft Lodge visitations. Concordant bodies were also on his official list of visitations. In addition, Most Worshipful Brother Nason represented our Grand Lodge at the All Canada Conference in Winnipeg, the Eastern Conference of Grand Masters in Charlottetown, and visited the Grand Lodges of New Hampshire, Nova Scotia, Rhode Island and Maine. We congratulate him for his efforts on behalf of the New Brunswick Grand Lodge.

The many distinguished guests from our Sister jurisdictions at this year's communication is moot proof of the esteem they hold for our Grand Master and his warm welcome to them in his address is a sincere gesture of the true Masonic friendship.

We sympathize with our Grand Master when the list of the many Brethren called to the Celestial Lodge above was read, and we also note the passing, as he did in his address, of R:W: Kurtis Brown, DDGM for District No. 4. All will be sadly missed by their Mother Lodges and the brethren in general.

Recognition of the work carried out by the chairmen and members of the several committees appointed by the Grand Master was noted in his address, and we are sure that their devotion to duty made his work load easier to shoulder and all the more rewarding. He points out that dedicated brethren willing to give of their time and expertise, have made this success possible.

We are pleased to see that our Grand Lodge attendance at the All Canada Conference in Winnipeg continues to be productive, and trust the topics discussed will filter through to the Craft Lodges. Grand Master Nason found the conference very worthwhile, and we commend those who attended. These exchanges of Masonic thoughts and ideas can only lead to better things in Masonry for this Grand Lodge Jurisdiction. The change in the future Eastern Conference to be held

in conjunction with the All Canada Conference bears watching, and we will be looking forward to future comments on this change of venue.

Finally, our Grand Master extended his personal thanks to the officers of Grand Lodge for their support and great kindness this past year, with special thanks to R:W:B: Ralph Andrews, the Grand Secretary. In conclusion, we offer our congratulations to Grand Master Nason during his term of office and on behalf of the Grand Lodge of New Brunswick, we wish him continued good health and happiness.
